MI Seal of Biliteracy
Michigan Department of Education

Welcome to the Seal of Biliteracy Application Request Page for the Michigan Department of Education.

The Seal of Biliteracy is an award given by a school, district, or state in recognition of students who have studied and attained proficiency in two or more languages by high school graduation. The Seal of Biliteracy encourages students to pursue biliteracy, honors the skills our students attain, and can be evidence of skills that are attractive to future employers and college admissions offices.

If you would like more information on the seal, please view the [biliteracy homepage](#).

Note: Once submitted, MDE may need from 5-7 business days for review. Including an email address on the application will help to ensure that we can reach out with any questions quickly.
