Tuition Assistance 2022-2023

Dear Westside Waldorf Families,

Tuition Assistance Grants are available for all qualifying Westside Waldorf families (Nursery through Grade 8). All applications will be reviewed by the committee in light of the applying family's current financial need balanced against the school's ability to offer assistance.

All applications must be received by February 1, 2022 to be considered for the 2022-2023 School year.

The purpose of Tuition Assistance is to help WWS establish, enrich and cultivate a strong and diverse Waldorf community by engaging families not simply as recipients of financial assistance but as partners in our school's ever-evolving education and social experiences.

The Tuition Assistance Committee expects families applying for admission at WWS are doing so because they are fully committed to WWS and believe Waldorf Education is the best choice for their family and children.

The Tuition Assistance process best serves our community when each family completes their application with full transparency regarding their ability to contribute to an education at Westside Waldorf School. Without this full disclosure the funds budgeted for this program cannot be allocated appropriately.

The Committee awards grants regardless of applicant's social status and will not discriminate on the basis of race, color, ethnic origin, national origin, religion, political belief, physical ability, sexual orientation, marital status or age.

The Westside Waldorf School functions best when deadlines are honored and respected, emails are returned promptly and communication is both positive and healthy.

The Committee believes by accepting Tuition Assistance Grants each family is expressing its desire to become more fully integrated into the WWS community and will continue to volunteer their time and unique talents to school endeavors.

If you believe you may qualify for Tuition Assistance for the upcoming school year, do not hesitate to apply. If you have any questions, please contact WWS Business Manager Mike Quishenberry at (310) 454-7064, ext. 5.

Thank you.

WWS Tuition Assistance Committee
