

DECEMBER 2nd
2021

PARKWAY PANTHER PRESS

The sunshine has mostly disappeared and the leaves have fallen off the trees, which can only mean that Winter is definitely closing in. Instead of just hiding out under the covers at home waiting for the snow to melt and the beach weather to return, strap on your snow boots, put on some gloves, and take advantage of the change of season by creating a Winter Bucket List filled with cold-weather activities and fun things to do. There are many wonderful things we can do in winter such as making hot chocolate, visiting the public library, creating a scrapbook, going sledding, making a snow fort, taking a nature walk or going ice skating. Enjoy making wonderful winter memories .

Respectfully, Dr. Haydee Smith

We have two positions open: A Book Room Volunteer & A Paid Crossing Guard Position. We have provided a brief description of each position, please reach out to Lindsay Johnson or Jennifer Deering if you are interested in applying for these positions.

CALLING ALL CROSSING GUARDS

Do you enjoy seeing the smiling faces of our students during all seasons of Wisconsin weather? Parkway Elementary is looking for a crossing guard from 7:30-8:00 & 2:30-3:00 (\$20/day). Please contact Director of Business Services, Lindsay Johnson if you are interested at lindsay.johnson@glendale.k12.wi.us.

CALLING ALL BOOK LOVERS

Do you enjoy ensuring students have access to great books?

Parkway Elementary is looking for a volunteer to help out in the Book Room. We are looking for a volunteer who is willing to organize books and materials allowing teachers to access literature to use with students during whole group and small group instruction as well as giving students access to books to read at home with their loved ones. Training

for this position will be provided by the reading specialists. If you are interested in volunteering in the Book Room, please contact, Mrs. Jennifer Deering at: jennifer.deering@glendale.k12.wi.us

THE SECRET GIFT SHOP IS BACK!

On Saturday, December 4th, Parkway students can come to Parkway for a secret holiday gift shop where they can pick out, purchase gifts for their family and friends. We will even wrap them, so that the adults can truly be surprised. All gifts are \$5 and under.

Glen Hills students are encouraged to volunteer as personal shoppers, helping the younger students stay focused and stay on budget. As always, there will be a Scholastic Book Fair for adults to browse while their children shop.

This year, students will need to sign up for a shopping time slot. Space is limited, so see the Thursday Folder for updates.

Students are enjoying the roller skating unit in PE and using their handprints to create murals featuring special words that can be seen in the hallways throughout Parkway School.

The Glendale Police Department reported to us that there has been an increase of traffic using the "Emergency Vehicles Only" driveway in the back of the Fire Station near the baseball fields.

That entrance to the parking lot is meant for emergency vehicles only and the police department will be monitoring and ticketing vehicles that use that entrance and exit in the future.

*****Please use the entrance on Milwaukee River Parkway to access the parking lot when coming to pick up your student.*****

Thank you for helping make our community a safe place.

As the weather grows colder, this is a reminder that all students are expected to participate in outdoor recess, unless the following conditions are present: rain, snow, or a combined wind chill and temperature or temperature of zero or below. Please note, if the students would like to play in the snow, they will need to wear snow pants and boots. Without snow pants and boots, students will be asked to remain on the blacktop and can continue to enjoy the playground equipment.

Please make sure that your student is prepared for the weather with a warm coat, snow pants, gloves, a hat and boots. Any families in need of assistance with winter clothing may contact our School Social Worker, Denise Davis at denise.davis@glendale.k12.wi.us or 414-380-9251.

Note!

You can view your student's report card on December 2nd via Infinite Campus.

Student and Family Assistance Program (SFAP)

A free and
confidential resource

We can make a difference for students and families.

A healthy home and family life can nurture academic excellence.

To promote healthy homes, minds and families, your school is proud to offer the Student and Family Assistance Program (SFAP). Sponsored by the Employee Assistance Program (EAP) of Advocate Aurora Health (AAH), our counselors have been serving families for more than 25 years.

How it works

The SFAP is available at **no charge** to all students and family members residing within the household. Help begins when a family member or legally responsible adult calls the program.

Based on your needs, our specialists will:

- Connect you by phone with a professional counselor who will consult with you.
- Schedule a confidential appointment with a program counselor for you or your family. Many times, a family's concerns can be resolved within program sessions, saving time and money.
- Assist with an insurance- or community-based referral if your situation requires diagnostic or ongoing treatment.

All services are **confidential**. No information about you or your family situation will be shared with school personnel without your permission in accordance with state and federal law.

When to use the program

This varies from person to person. Generally, it's wise to seek help when a problem:

- Interferes with normal activities
- Occupies too much of your time
- Persists for more than several weeks

Typical concerns may include:

- Parenting support and coaching
- Academic pressures
- Alcohol/drug issues
- Anxiety and depression
- Child/family issues
- Divorce/blended families
- Marital/relationship issues
- Stress management

Additional services

Seeking a healthy balance

The following services are available to help families quickly and conveniently address other issues that may impact their lives:

- Legal consultation and mediation
- Financial consultation
- Child care resources
- Elder care resources
- Adoption information

Our promise to you and your family

Your privacy is protected in accordance with both federal and state laws regarding mental health and medical treatment records. The professionals within the SFAP make every effort to protect your privacy and ensure that your participation in the program is completely confidential.

How to reach us

Call **800-236-3231** and identify yourself as eligible for SFAP services through your school.

To learn more about these services or to schedule an appointment, please call **800-236-3231**.

Dear 1st-3rd Grade Parkway Families,

In-school roller skating begins in Physical Education classes the weeks of Nov 29 - Dec 22. Please be aware that ALL 1st - 3rd grade students are **REQUIRED** to wear a helmet and wrist guards. Personal bike helmets or skateboarding helmets from home are recommended to prevent lice. If your child does not bring in a helmet they will be **REQUIRED** to borrow one. Borrowed helmets are sprayed with disinfectant spray after each use. Students will be required to use the skates provided by Skatetime. No personal skates will be allowed for insurance and liability purposes.

If you send in any safety gear please make sure your child's name is on the gear. Please send gear by Nov 29th. Students will be keeping it in their school locker and bringing it to PE classes for the entire unit.

Due to covid protocols, we will not be able to invite volunteers to help this year. Thanks for your cooperation! Please call or email if you have any questions.

Program for 4-Year-Olds and Entering Kindergartners

In this fun summer program, your child will learn to read. Children learn letter recognition, beginning phonics, and easy sight words. Your child will learn to read simple words and short sentences and will get excited about books and reading.

Program for Entering 1st Graders

In this fun summer program, your child will learn to read independently. Children learn phonics and sight words and build comprehension skills. Your child will develop a love of books and reading and get off to a great start in first grade.

Program for Entering 2nd Graders

In this fun summer program, your child will become a confident fluent reader. Children build solid phonics and word-attack skills and develop reading fluency and strong comprehension. Your child will develop a love of books and reading and get off to a great start in second grade.

Program for Entering 3rd Graders

In this fun summer program, your child will become a strong, enthusiastic reader. Children improve reading fluency and develop excellent comprehension. They build long-word decoding skills and expand their vocabulary. Your child will gain confidence, develop a lifelong love of books and reading, and get off to a great start in third grade.

Programs for Entering 4th and 5th Graders

In these fun and effective programs, your child will become a skilled, enthusiastic reader and a better writer. Students develop strong comprehension skills in fiction, nonfiction, and textbooks. They expand their vocabulary and learn to read more fluently and rapidly.

Students learn effective techniques that improve writing skills and build confidence. Your child will complete homework and writing assignments more quickly and easily, get better grades, and enjoy reading more.

Programs for Entering 6th, 7th, 8th, 9th, 10th, and 11th Graders

In these effective and enjoyable programs, your son or daughter will make substantial gains in comprehension in fiction and nonfiction, learn to read twice as fast, and become a better writer. Students expand their vocabulary and learn the best way to take notes and study for tests.

Students learn effective techniques that improve writing skills and build confidence. Your child will complete homework and writing assignments more quickly and easily, get better grades, and enjoy reading more.

"My daughter is sounding out words on her own, and she is so excited about reading to us! She loved this program, and I was very impressed with the books and materials."

– Parent of kindergartner

"Thanks to this program, my son is now reading independently and his confidence is through the roof. I cannot express enough how grateful I am for this program."

– Parent of 1st grader

"Online teaching is a special set of skills, and your teachers are spot on!"

– Parent of 2nd grader

"Allison loved doing the long-word decoding lessons. Her reading skills have improved tremendously, and she is reading more challenging chapter books."

– Parent of 3rd grader

"The teacher was phenomenal! She kept students engaged and participating, and my child was more excited about reading as the weeks went on."

– Parent of 4th grader

"Patrick's comprehension has really improved, and he loved the books. I've recommended this to other parents."

– Parent of 5th grader

"The lessons were fun and easy to follow. It is much easier for me to study and take notes now. I don't put off studying until the last day because I know I can get through it fast."

– 7th-grade student

"I liked tracking my reading speed and seeing it go up from week to week. I used to not like to read because it was too time-consuming, but now it's easier to finish."

– 9th-grade student

Help Kids Balance Their Media Lives

From phones and tablets to streaming movies and YouTube, tech and media are everywhere. Kids love easy access to shows, games, and information. Parents and caregivers love that kids can learn on the go (and stay busy when dinner's cooking). But it's easy to overdo it when the phone never stops pinging and the next episode plays automatically. Families can keep media and tech use in check by following a few simple practices.

Check out these 5 tips 

1

Create screen-free times and zones.

Help kids take breaks from tech by limiting screen time in bedrooms, during study time, or at the dinner table.

2

Try parental controls.

Set content limits that make sense for your family. Alongside conversations about healthy media habits, use features such as content filtering, privacy settings, and time limits offered by the apps and platforms your family uses to help manage access and exposure to media.

3

Establish clear family rules.

Decide together what kind of media and tech is OK -- and when it's OK to use it. A family media plan can help get everyone on the same page.

4

Watch and play together.

Choose quality, age-appropriate media to enjoy with your kids. Visit commonsensemedia.org to find shows, games, and more.

5

Help kids identify healthy behaviors.

Practice talking about feelings -- both physical and emotional -- during screen and non-screen activities.
