THE THREE A'S

Academics, Arts, Athletics are the cornerstone of Carrollton High School. We believe students should be exposed to a variety of opportunities in order to best prepare them for the future. We believe this so strongly that we identify seniors each year at Carrollton High School who represent this award with personal achievements in all three areas. To date there are 80-plus exceptional CHS alumni who have been recognized with this award since 2007.

SCHOOL PROFILE

SPECIAL PROGRAMS & OFFERINGS

INTERNATIONAL BACCALAUREATE PROGRAM

The IB Diploma program offers an academically challenging and balanced program of education that prepares students for success in college and beyond. The program is a two-year course of study during Junior and Senior year. The program is internationally recognized as one of the most rigorous courses of study available to pre-university students. CHS offers 14 IB courses for students.

ADVANCED PLACEMENT PROGRAM

The Advanced Placement program gives students the chance to tackle college-level work while they're still in high school and earn college credit and placement. CHS offers 18 Advanced Placement courses for students.

COGNIA STEM CERTIFICATION

The AdvancED STEM accreditation is awarded as a mark of STEM distinction and excellence and only offered to highly effective institutions that prioritize STEM education as a path to success.

CTAE PROGRAM

Career, Technical, and Agriculture Education (CTAE) integrates core academic knowledge with technical and occupational skills to prepare students for post-secondary education and the workforce. CHS offers 13 career pathway course options with multiple internship opportunities for students.

DUAL ENROLLMENT PROGRAM

Dual Enrollment is a program that provides funding for students at eligible high schools to take approved college-level coursework for credit towards both high school and college graduation requirements. CHS offers dual enrollment programs with the University of West Georgia and West Georgia Technical College.

PERFORMANCE LEARNING CENTER

The Performance Learning Center is a non-traditional, computer-based high school setting for students in grades 9-12. Students enroll at the PLC for a variety of reasons which may include seeking early graduation, college dual enrollment opportunities or the recovery of academic credits. The program includes an intense academic component anchored by a rigorous online instructional system and project-based learning.

PROJECT SEARCH

Project SEARCH is a partnership between CHS, UWG, the Georgia Council on Developmental Disabilities, the Georgia Vocational Rehabilitation Agency, and several local businesses that gives students with disabilities an opportunity to develop their workplace skills while continuing their education. Students participate in a year-long internship upon high school graduation.

RA-LIN CONSTRUCTION INTERNSHIP

The Ra-Lin Construction internship is a hands-on program for CHS juniors and seniors. Students learn basic construction skills and receive field site opportunities that provide real world experience in the construction industry.

SOUTHWIRE ENGINEERING ACADEMY

The Southwire Engineering Academy (SWEA) is a cooperative internship program for 12th-grade Carrollton High School STEM program students. Developed by Southwire Company and Carrollton City Schools, SWEA promotes achievement in science, technology, engineering and mathematics while enabling students to apply these disciplines in a real-world manufacturing setting.

SOUTHWIRE 12 FOR LIFE PROGRAM

12 for Life is a cooperative education program supported by Southwire Company helping students gain extra motivation to finish 12 years of school and enjoy better lives. Students receive classroom instruction, on-the-job training, key work/life skills, mentoring, and employment opportunities.

TROJAN TOP COLLEGE ACCEPTANCES

CARROLLTON JUNIOR HIGH

SCHOOL PROFILE

ABOUT CARROLLTON JUNIOR HIGH

Carrollton Junior High is home to 7th and 8th graders and has a strong focus on success for ALL students. Our goal is to ensure our students are well prepared for the transition to high school through the rigorous coursework and high expectations they will experience at CJHS.

STUDENT BODY

Total Students: 862	Asian: 2%
Grades Served: 7th & 8th	Black: 31%
Teacher:Student Ratio: 17:1	Hispanic: 22%
Out-of-district Students: 25%	Native Am/ Alaskan: 0%

STUDENT LIFE

- 14 Student Clubs and Activities
- 13 Athletic Opportunities
- Art Offerings: Band, Performing Arts, Visual Arts, Choral
- Language Offerings: Spanish
- General, Honors and Advanced Courses
- Student Travel Opportunities

SPECIAL PROGRAMS

CARNEGIE UNIT COURSES

CJHS 8th graders can earn high school Carnegie unit credits in courses taught by a certified teacher in grades 6-12. Courses that earn a high school Carnegie credit and a grade in junior high will be used in the grade point average (GPA) calculation for high school. CJHS offers 5 Carnegie credit courses to 8th graders.

ELECTIVE OFFERINGS

CJHS offers multiple elective courses that fall outside of the main core academic subject areas. Students can take up to four electives per year. These courses allow student customization in areas of interest. Elective offerings include:

- Family/Consumer Sciences
- Computer Science
- Performing Arts
- Band
- Spanish
- Visual Art
- Yearbook
- Weightlifting
- Creative Writing
- STEM
- PE/Health

STARFISH ACADEMIC SUPPORT PROGRAM

The Starfish Program was implemented with student success as its main goal. This program allows students an opportunity to work on unfinished academic assignments or receive support in subject areas in order to improve a student's academic success and overall graduation rates.

21st CENTURY PROGRAM

Trojan University is a grant funded after school enrichment program targeting academically at-risk students. This extended day/year program provides enrichment services to seventh and eighth graders who did not meet the state benchmarks.

REACH SCHOLAR PROGRAM

REACH Georgia is the State of Georgia's first needs-based mentorship and college scholarship program. The mission is to ensure that Georgia's academically promising students have the academic, social, and financial support needed to graduate from high school, have access to college, and achieve post-secondary success.

CARROLLTON ELEMENTARY

SCHOOL PROFILE

ABOUT CARROLLTON ELEMENTARY

At Carrollton Elementary School, our priority is providing engaging instruction to meet the needs of diverse learners. We are focused on improving literacy for all students, and we are intentional in helping students develop skills needed for their future endeavors within Carrollton City Schools and beyond.

STUDENT BODY

Total Students: 1,624	Asian: 2%
Grades Served: PK-3rd	Black: 34%
Teacher:Student Ratio: 16:1	Hispanic: 23%
Out-of-district Students: 24%	Native Am/ Alaskan: 0%
Economically Disadvantaged: 59%	White: 35%
English Language Learners: 13%	Multiracial: 6%
Students with Disability: 10%	

SPECIAL PROGRAMS

CES ACADEMIES

The Academy program offers enhanced instruction in four different Academy subject areas allowing unique opportunities to engage students on a higher level. Students will benefit from learning the Georgia Standards and being exposed to the diverse experiences within each Academy as the year progresses. The four academies include: STEM, Performing Arts, Citizenship, and Dual Language.

STEM PROGRAM

Although STEM is offered as a connections course to all students, STEM learning goes far beyond the STEM classroom. Students will enhance their STEM knowledge in music through STEAM curriculum and will engage in outdoor classroom lessons at Buffalo Creek as part of the Buffalo Creek Restoration Project.

CONNECTION OFFERINGS

CES offers multiple elective courses that fall outside of the main core academic subject areas. The following electives are offered to students throughout the school year:

- o STEM
- o Computer Science
- o Visual Arts
- o Music & Performing Arts
- o Physical Education

21st CENTURY PROGRAM

The PALS program is a grant funded after school enrichment program targeting academically at-risk students. This extended day/year program provides enrichment services to students who did not meet the state benchmarks.

GIFTED PROGRAM

The Gifted and Talented Program provides differentiated instruction for the intellectually advanced and creatively gifted student. Gifted services are available for all eligible students identified through a state-approved testing process.

FARM TO SCHOOL PROGRAM

The CES Farm to School program brings locally grown foods to the school cafeteria in order to educate children about nutrition and agriculture. Students at CES also grow vegetables in outdoor gardens and indoor hydroponic gardens as part of the STEM curriculum.
