

Farmington Junior High

Community Council Meeting Notes

November 23, 2021

*Welcome and Funding Request– Mr. Ben Hill

- At least once a year students get hurt when using art wheels due to spinning bottom. Requesting funding to replace wheels with safer version.
- Motion to Approve Funding: Kristin Jaussi, 2nd Karmen Maxwell, All vote in favor

*Discussion of DOJ and FJH – Mr. Hill

- Rolling out faster than thought which means widespread training for district employees.
- FJH has taken all reports seriously and are dealing with incidents following set procedure
- District has more resources for school, students, and parents to help raise awareness.
- Ms. Anderson reported that FJH administration is doing a good job handling all bullying, harassment and racial issues which arise at school.
- Parents can help by talking with students about these issues.

*Counseling Center Report – Mr. Damion Lether

- 8th grade CCR's complete and 9th grade will be wrapping up soon. It was suggested that counseling center send out an email following completion to all parents with information discussed at CCR's
- 2nd semester course requests will only happen on January 12th and 13th. Students and parents can find course catalog on website under parents/students tab, then registration tab. This page also has course request card which may give ideas for schedule.

*Discussion of Certificate of Completion – Mr. Damion Lether

- This is a certificate of completion that can get by doing approximately 36 hours of AP/CE classes that can take to any in state university that will waive several GE requirements saving students two years of college.
- Cheaper option for college
- All AP classes offered by FJH will count towards the final hour tally. Forms showing requirements can be found on school website.
