

Superintendent NEWSLETTER

December 3

Dear Gull Lake Families and Staff,

As a follow up to the message posted yesterday for families ([Superintendent Message – December 2](#)) I want to direct your attention to the [School Safety Central link](#) on our District website. Gull Lake Community Schools stewards the safety of our kids, staff and school community through a comprehensive safety and security program and plan that is monitored, reviewed and updated on a regular basis. Take a moment to review the information and see how the District approaches and practices school safety.

I also want to highlight the new [ESSER III Funds survey](#) opening up for families today that is designed to give you input on priorities for investing these resources on behalf of our kids. Please fill out the survey and let us know what your top choices are for spending these one-time funds.

Best regards,
