March 2021

## A Message from Ms. Nagel, Principal

\*\*\*\*\*

The time has finally come for students to return to in-person learning! However, limited that time will be for students on campus, I am so excited for our students to be back to in-person instruction and seeing all their smiling faces and eagerness to be here at school!

During this past year of our school site being closed to in-person learning, I was often reminded of some of the positive things that came about during this time. I realized that we really need each other and those in-person relationships are so very important. The simple things of cleaning and disinfecting is critical, as well as, frequently washing our hands and covering our mouths when we cough or sneeze. Another positive that has come about from all this is we were able to purchase more classroom supplies and some technology with the COVID funds.

I look forward to seeing the TK through First grade students on March 8<sup>th</sup>, the Second and Third Grade Students March 15<sup>th</sup>, and the Fourth through Sixth Grade students March 22<sup>nd</sup>!

## Megaskill: Effort and Motivation

Mrs. Coe Kinder

**Hi Crestview Families! My name is Margie Coe and I've had the pleasure of working at Crestview with our amazing kindergarten team for almost 20 years! I'm originally from Portland, Oregon, and attended The University of Oregon (Go Ducks!), but my husband grew up in Lompoc and brought me back to raise our kids here, near his family. My daughter and son had a fantastic educational experience in the LUSD and now have great jobs in San Francisco and Seattle. They haven't yet cooperated by giving me grandchildren, however, so your kiddos are all my surrogate grandkids!**

**When I'm not teaching, you can find me walking/hiking with friends, hanging with my**

## Mrs. Roemling Kinder

Hello Crestview Families! My name is Jeannette Roemling and I teach Kindergarten here at Crestview.

I was born and raised in this area and attended Cal Poly where I got my bachelor's degree and my teaching credential. I later earned my master's degree in reading instruction through Walden University.

I have been teaching at Crestview for eighteen years and I love working at this school and with our Air Force families! I LOVE teaching kindergarten and getting to see students learn to read and write. Their excitement for learning fills me with joy.

I have three children (my youngest is a kindergartner at Crestview this year). In my spare time, I enjoy spending time with my children going to the zoo, going to the beach, camping, and reading.

I feel very blessed to teach at Crestview. Go Cougars!

## Free Meals

Free meals are provided for children 0-18 yrs old outside the school cafeteria from 11:00-1:00, every Monday, Wednesday, and Friday.

## Dates to Remember

Mar 8 TK-1 In-Person Instruction Begins  
Mar 15 2nd-3rd In-Person Instruction Begins  
Mar 19 Report Cards Mailed Home  
Mar 22 4th-6th \In-Person Instruction Begins  
Mar 26 Professional Learning Day No School

### Office Reminder

Parents, please update any changes to your address, phone #, or email.  
805-742-2050  
Office hours: Mon-Fri 7:45-4:00

For Current 6th graders

Two Days: Wed. Mar. 24 and Wed. Mar. 31

12:30pm-3:30pm

**HANDS ON- MINDS ON**

- This STARBASE STEM experience is for 6th graders, who have NOT completed the STARBASE program.
- Students need to eat lunch prior to arrival.
- Seats are available on a first come, first serve basis. Currently our maximum capacity is 16 students due to COVID-19.
- To sign up please email [Irickards.starbase@gmail.com](mailto:Irickards.starbase@gmail.com). Deadline to sign up is **March 19**.

two cats, gardening, or reading. But my favorite place in the world is Lake Tahoe, where my family has a lakeside condo. You can find me there (my happy place) every opportunity I get!

The Crestview Library has been a busy place! Students are earning AR prizes after they have reached their reading goal, teachers are checking out books for their classes, students are checking out books for themselves, recorded Read Alouds are being shared with teachers to play to their students during Zoom, and I am also doing live Read Alouds via Zoom once a week. Crestview Library books are still available to be checked out to students through Destiny Discover, and they can be picked up in front of the library Monday-Friday between 8:00 AM-Noon. Please feel free to connect with me if you need assistance (805) 742-2044 with anything library related.

Thank you for all that you are doing to encourage your child to read, and the extra guidance you are providing while they have been at home attending school during distance learning!! Keep on reading! One never knows where they will go in a book. 😊

## Tech Support for Parents/Families

Are you having difficulty with your school technology? Reach out to our tech support for all your technology needs, email [distancelearninghelp@lUSD.org](mailto:distancelearninghelp@lUSD.org)

## Mrs. Mitchell Kinder

My name is Channon Mitchell and have been a teacher in the district for 21 years. After teaching Kindergarten and 3rd grade at Crestview, I left to work at the district office for three years supporting new teachers as they entered the teaching profession. At the end of that tenure, I returned to Crestview and to my favorite grade level: Kindergarten ♥ I am a life-long learner! I have an elementary and secondary credential as well as my master's in educational leadership and my administrative credential. In 2009, I was awarded the Vandenberg Air Force Base Teacher of the Year Award.

When I am not at school, I enjoy spending time with my husband and daughter as well as our two pugs, Buggy and Boston, and our horse, Maverick. I owned my own business making candles for 12 years and now I spend my time working on puzzles (I love 1000+ pieces), and reading, watching movies, and working on remodeling projects around the house.

I have lived in Lompoc my whole life and a fun fact is that my dad started his teaching career at Crestview in the 60's. I love working with military families and kids ♥.

## LUSD Covid Information

Please go to the Lompoc Unified School District website for Covid information.
