

Staff Crestview Chronicle

October 2021

A Message from Ms. Nagel,
Principal

Fall is a beautiful time of the year here at Vandenberg Space Force Base, with warmer weather and sunny skies. However, this time of the year can also be stressful for all staff, parents, and students with our traditional school schedule and curriculum in full swing. Teaching students can be exhausting, and learning can be exhausting. However, Leonardo Da Vinci once said, "Learning Never Exhausts the Mind". We are here because we care about children and we all want them to learn. Let us never give up on doing what is right. "Keep Calm and Carry On".

PTA

Spirit Wear delivery will take up to 3-4 weeks. The way shipping is going now, it may be longer. We will update you.

Office Reminders:

-Post attendance by 9:00 am at the latest. Automated attendance calls go out at 9:30 am. Kari runs a master absence report at 10:00 am and starts making attendance calls.

-Let Kari know if you have any students leaving that are not on the exit list.

Notes from the Nurse

Please send a note when you send students to the health room. Remember to use your first aid kits to take care of the minor injuries in the classroom and on the playground.

Crestview Library

Library schedule will begin September 7. YAY!!!! Please let Lauren know if you have any changes.

Mrs. Maxie 3rd Grade

Hello, my name is Amy Maxie. I was born in Cleveland, Ohio and moved to Southern California when I was young. I graduated from Cal State Fullerton and also went to Cal Poly, Pomona.

I am married to Mr. Maxie and we have 2 daughters, Zoe and Olivia. We live in San Luis Obispo. I enjoy hiking, reading, cooking and running.

I have been a teacher for 26 years and absolutely love it. I started teaching down south. We moved to the Central coast 21 years ago and I started teaching at Clarence Ruth, and have been teaching at Crestview for 15 years. I have taught grades 2-6. I love being at Crestview; it is a wonderful community to be a part of.

Krista's Corner

I have been lucky to see so many great teachers in action! I appreciate all of you for allowing me to watch many of your ELA lessons. I love that we are out observing in other classrooms and growing as a team and school. The teacher collaboration at Crestview is amazing and I hope you continue to work together throughout the year.

Mrs. Fowler 3rd Grade

Hello! My name is Samantha Fowler and I am teaching 3rd grade this year. I am very excited to be part of the Crestview Cougar team! This is my 4th year teaching, I have taught 4th, 6th, and now 3rd grade!

I am originally from Oceanside, California, but joined the Air Force in 2007. Since then, I have moved all over the country. I am married and have two daughters. After 6 years in the Air Force, I went to college and received my Bachelor's in Interdisciplinary Studies of Elementary Education and a Master of Science in Curriculum and Instruction.

Some of my favorite things are traveling, spending time with my family, I am a huge football (go Chargers) fan and love my morning coffee, although I prefer Dunkin over Starbucks!

I am so excited to be here at Crestview and I am looking forward to a fun and wonderful school year!

Mrs. MacFarlane 3rd Grade

Hello,

My name is Ms. MacFarlane and I am excited to be teaching 3rd grade this year!

I was born and raised on the Central Coast and have been teaching in the district since 1999. Prior to teaching, I earned my Bachelor's degree at U.C. Davis and worked for a short while in the Forest Service. I earned my Multiple Subject Teaching Credential at CalPoly, San Luis Obispo and also hold a Master's degree in Education.

When I am not teaching, I love spending time with my daughter who is a Senior at Cabrillo High School. I enjoy running, hiking, reading, eating and traveling. It's an honor to be part of Crestview Elementary School!
