

Greyhound Softball Winter Camps

Winter Advanced Softball Pitching Clinic

The Carmel High School softball clinic will be hosted by Head Coach Ginger Britton and her staff and assisted by high school players. This clinic will focus on the fundamentals of pitching, ball control, velocity increase, and developing secondary pitches. Prerequisite for this camp is that the athlete can pitch consistent fastball strikes. It will be a great opportunity to strengthen and sharpen your skill set before the beginning of the 2022 season. Players will receive direct instruction from the high school coaching pitching staff and training among high school athletes.

Athletes must wear a mask to and from the camp, and whenever not actively participating. All athletes must bring their own equipment to use, as we will not be sharing. Athletes will be placed in small groups and social distance. Parents will need to drop their athletes off at door 17 and they will exit through the field house doors for pick up (doors to the right of door 17).

Who: Clinic is open to all girls grades 6-8. Prerequisite: can throw consistent fastball strikes.

When: Wednesday, January 12, 7:10 – 9:00 p.m.

Where: The clinic will be held inside the Carmel High School Field House. (Please enter door 17)

What to Bring: Softball glove. Please wear athletic gear and tennis shoes.

Cost \$50.00
