NEW STUDENTS STEPS TO ENROLL:

- 1. ENROLL** – KCPS has reduced the amount of initial information on the enrollment form to make the process fast and simple.
- 2. ACTIVATION** – Acceptance notifications and Infinite Campus Parent Code are sent to families via email after enrolling; families must activate their account before applying.
- 3. APPLY** – All enrolled students can apply for admittance to KCPS Signature Schools or other programs through the Infinite Campus Parent Portal.
- 4. ADMIT** – Students are notified via email of admission status within two (2) business days of application.* †
- 5. REGISTRATION** – New students formally accept their seat by entering in **ALL** mandatory information into the Infinite Campus Parent Portal before the deadline.

**For some schools, final admission status is not determined until after an Audition or Lottery.*

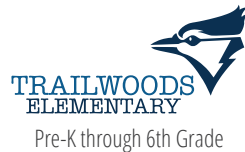

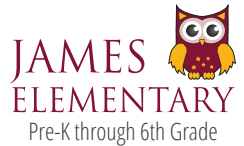

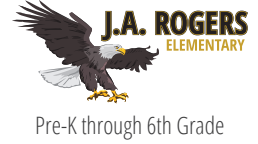

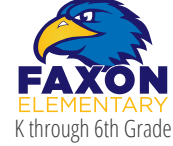

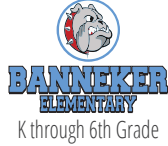

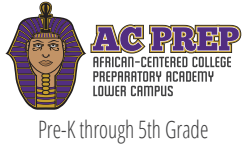

† For schools with a waiting list, KCPS uses a lottery system that is not based on a first come first serve system. All students who apply before February 15 have an equal opportunity to be offered a seat.

NOTE: "New Student" is a student that is NOT currently enrolled within KCPS or has a sibling enrolled within KCPS.

MIDDLE SCHOOLS

HIGH SCHOOLS

"We chose Gladstone because it's home. My kids feel loved and valued. We appreciate the diversity; my kids get to learn and appreciate different people, cultures and religions."

– The Becerra Family

"At Holliday, our girls are thriving in the nurturing environment, with hands-on programs and amazing, caring teachers, preschool through sixth grade."

– The Whittington Family

"Trailwoods Elementary is a community of learners. They work hard to motivate and encourage every student to be a leader in the school and community."

– The Valerio Family

"We came to America so my children can succeed and find people, like the teachers and staff at East, to help them reach their goals. KCPS is doing an excellent job supporting kids like ours."

– The Flores Family
