DOG FUND

Under the direction of the Board of Police Commissioners, the City operates a canine building located on Christian Lane where dogs are impounded daily. The facility grounds are maintained by Property Management and the Animal Control Officer. The regional State Canine Control Officer routinely inspects the facility.

The Dog Fund is primarily supported by a grant from the City's General Fund as the income generated from the sale of dog licenses is far less than necessary to support the activity. As in most Connecticut communities, it is highly improbable that the dog fund would ever be classified as self-supporting. Dog license fees, payable each June to the Town Clerk, are set by State Statutes and vary by gender, age and reproductive ability. One/half of the fees collected by the Town Clerk for dog licenses are forwarded to the State annually.

The Dog Fund is involved with the State of Connecticut Animal Population Control Program (APCP) that allows the adoption of a dog for a designated fee. Included in this fee is the vaccination/sterilization costs to the dogs prior to the adoption as well as a portion of the payment to be set aside for the City for administrative costs.

In accordance with State law and City ordinances, local canine control operations are the principle responsibility of the City's appointed Animal Control Officer.

Primary tasks are:

- The investigation of all state and local law violations pertaining to the licensing, treatment and/or neglect of dogs and other animals.
- The apprehension and impoundment of roaming animals and unlicensed dogs.
- The collection and disposition of dead animals from streets, highways and public property.
- The maintenance of the City's Dog Pound and the care and feeding of all impounded animals.
- The administration and fiscal management of all canine and canine related revenues and records systems.

Community Services

Youth Service Bureau and Fair Housing

New Britain Community Services Division is operated for purpose of evaluation, planning, coordination and implementation of prevention and treatment services for “at-risk” youth ages 9-18, as well as their families.

Jointly funded by the State Department of Children and Families and the City of New Britain, the Community Services offers supports such as counseling, referral services, educational advocacy, juvenile court diversion, positive youth developmental services and fair housing procedural guidance.

Our Youth Service Bureau serves an average of 2,000 youth and families by providing direct and indirect services including counseling service. New Britain has one of the top performing Juvenile Review Board’s (JRB) in the state of CT highlighting the need for intervention and prevention methods. Our JRB coordinates services with important partners to intervene and divert youth from becoming chronic juvenile offenders.

Over 120 youth have been referred to the JRB in 2019 and were able to be connected to a positive youth development opportunity diverting them from future criminal behaviors. This has increased our recidivism rate for 2019 to 96%

Additionally, an average of 1,600 has benefitted from Fair Housing services, through broad- base education and training focusing on housing discrimination awareness and tenant and landlord rights and responsibilities; addressing determinants identified within the City, as pertained to the Community Services Division.

BOE MEDICAL SELF INSURANCE FUND

Employee medical benefits secured through Anthem Blue Cross/Blue Shield are self-funded. The BOE is liable for all costs associated with providing medical benefits to participating employees up to \$200,000 per person per annum. The change from an indemnity plan occurred in September, 1987 for Education and City employees. Anthem Blue Cross/Blue Shield continues to be the principal claims administrator with the exception of prescription and dental benefits for Board of Education employees. These benefits are not provided by Anthem. Alternative benefit costs are reflected in the appropriate fund of the employee. In FY 15, the Mayor proposes to have the BOE medical self-insurance costs in a separate fund (701) while the City medical self-insurance costs will continue to be charged to this fund (702).

CITY MEDICAL SELF INSURANCE FUND

Employee medical benefits secured through Anthem Blue Cross/Blue Shield are self-funded. The City is liable for all costs associated with providing medical benefits to participating employees up to \$200,000 per person per annum. The change from an indemnity plan occurred in September, 1987 for Education and City employees. Anthem Blue Cross/Blue Shield continues to be the principal claims administrator. Benefit costs are reflected in the appropriate fund of the employee. Since the City has a varied number of labor bargaining units representing its employees, specific benefit levels may vary among each labor unit. In FY 15, the Mayor proposes to have the BOE medical self-insurance costs in a separate fund (701) while the City medical self-insurance costs will continue to be charged to this fund (702).

WORKERS' COMPENSATION FUND

According to the Workers' Compensation Act, employers shall secure compensation for injuries to an employee during the course of employment with the exception of those caused through negligence, intoxication, or willful injury by the employee. New Britain self-insures all of its worker's compensation liability. The City has had a budgeted fund for workers' compensation since 1977 which has been separated into its own budget section since fiscal year 1988-89.

POLICE AND FIRE HEART AND HYPERTENSION

Under Connecticut General Statute 7-433c, any full time municipal police officer or fire fighter who is disabled as the result of heart disease and/or hypertension is entitled to special benefits to protect the individual from economic losses while on disability leave. Claims are administered by the Corporation Counsel's Office.

SECOND INJURY FUND

The City also participates in the Second Injury Fund program administered by the State of Connecticut. This program provides compensation for employees re-injury or further impairment from a previous injury. Upon hiring, all prospective employees are given a physical at City's expense to identify "prior conditions" for coverage by the second injury program. The City pays the State of Connecticut 5 percent of the previous calendar year's total second injury claims. This payment is for administration services provided by the State.

GENERAL LIABILITY & RISK MANAGEMENT

PROPERTY INSURANCE

Property casualty loss and liability is funded by the general and special revenue funds. Alliant insures City real property for casualty loss. A \$25,000 deductible applies to all claims and \$1,000 deductible for scheduled assets. The City self insures its losses below the deductible and claims rejected by the insurance carrier. The annual premium is funded in the general government budget and other funds. Additions, improvements, construction-in-progress, acquisition and/or replacement values are reported annually to the insurer.

LOSS CONTROL

Policies, procedures, and reports are developed to assist the City in establishing and implementing effective loss control programs. This includes visitations of the City's Risk Management Consultant to assess hazardous conditions and assist in the removal of these problems through the use of training programs and recommended professional assistance.

CLAIMS ADMINISTRATION

Complete investigation, defense and settlement of all claims are provided.

WATER DEPARTMENT

The City of New Britain's Water Department serves approximately eighty-two thousand people in New Britain, Berlin, Newington, Farmington and Plainville. The system consists of six reservoirs, three wellfields, pumping stations, treatment facilities and a very extensive piping system. Conservatively, the system has a storage capacity of 2,676,572,000 gallons. In order to have this much capacity, it was necessary to acquire land outside of the City. This has been done over the years and at present the department owns six thousand six hundred ninety-two acres outside the City limits.

PRINCIPAL ACTIVITY OFFICIAL:

Mark Moriarty, Director
Ray Esponda, P.E. — Deputy Director of Public Works, Utilities Division Manager

BOARD OF WATER COMMISSION MEMBERS

Efrain Rosado, Chairperson
Mark Zenobi
Peter Centurelli

Mark Rashaw
Iwona Rutkowski

The water rate structure is such as to further promote conservation efforts. This will continue to slowly move us away from the more use, lower unit costs, by compressing the rates.
