To: Residents and Property Owners  
Abutting A.W. Stanley & Stanley Quarter Parks  
New Britain, CT 06053

Subject: Project No 88-195  
Stanley Loop Trail – Phase II

Dear Residents and Property Owners:

The City of New Britain has completed the Preliminary Design of the Stanley Loop Trail – Phase II project. This proposed project involves the design and construction of the second phase of the Stanley Loop Trail. The second phase of the Stanley Loop Trail involves approximately 1.5 miles of paved multi-use trail that will begin in Stanley Quarter Park at the intersection on Eddy Glover Boulevard and Stanley Street. The trail has a northern limit adjacent to the Holmes Elementary School across the street from the first phase of the Stanley Loop Trail which has recently completed construction.

The City will conduct an informational meeting on **Wednesday June 19, 2019 at 6:00pm in Room 504 New Britain City Hall, 27 West Main Street, New Britain, CT**. Deaf and hearing impaired persons wishing to attend this meeting and requiring an interpreter may make arrangements by contacting Jason Outlaw at (860) 612-5009 at least five working days prior to the meeting.

Based upon preliminary assessment, the construction cost will be approximately \$2.15 M. The Federal Transportation Block Grant Program will provide approximately 80% of the construction cost with the City providing approximately 20%.

It is the City's and the State's policy to keep persons informed and involved when such projects are undertaken. It is important that the community share its concerns with us to assist in the project's development.

Anyone interested in obtaining further information, providing input or requiring language assistance may do so by contacting Jason Outlaw, Engineering Project Manager, at (860) 612-5009 or visit the City's web site at [www.NewBritainCT.gov](http://www.NewBritainCT.gov).

Very truly yours,

Jason Outlaw, E.I.T.  
Engineering Project Manager
