## New Britain / Berlin Residents

We would like to take this opportunity to stress the importance of **REDUCING, REUSING AND RECYCLING**.

Recycling saves the City money. More recycling means more savings for taxpayers. Make sure you are recycling all of the acceptable items outlined on your blue cart.

In addition to Single Stream Recycling, this sheet outlines disposal guidelines for a variety of common disposal items, including leaves and hazardous household waste.

NEW "Simple" Recycling Program - Along with West Hartford and Bristol, New Britain is planning on implementing a soft recyclables (i.e. clothing, shoes, handbags, household textiles that have reached the end of their useful life) curbside collection program in late 2017. The collection will occur on your regularly scheduled recycling day in bags that will be provided at no charge. The benefits are convenience, revenue and a cost savings to the city and taxpayers. More detailed information to follow.

- Don't Dump Oil, Antifreeze or other chemicals down the storm drain.
- Don't allow your car to leak fluids. Fluids wash into storm drains when it rains.
- Don't allow oil or paint spills to accumulate on driveways or sidewalk.
- Don't wash leaves, twigs or dirt into storm drains. Even natural materials can pollute water.
- Don't wash out paint brushes, pans or rollers in the gutter.
