**CITY OF NEW BRITAIN  
NOTICE INVITING RFQ**

**Date:** March 29, 2015

**RFQ:** 3880

**Bid Name:** RFQ for Engineering Support Services

**Summary:** The City of New Britain Water Department requests for Statements of Qualifications from qualified engineering firms Licensed in the State of Connecticut to provide engineering services for the proposed multiple projects related to the City's Water treatment facility and system improvements to include, but are not limited to, the replacement of SCADA at New Britain Filtration Plant, the White Bridge Raw Water Surface Supply (Pond) Station electrical, mechanical and SCADA improvements, the redevelopment of Lower White Bridge Well Field, and water main improvement on Batterson Park Road in Farmington. These projects include planning, design, architectural, construction oversight, and other related engineering services including the preparation of preliminary engineering reports (PER) for each project that meet the CT State Department of Public Health (DPH) guidelines. The selected engineering consultant(s) will be required to assist the City in the bidding process of construction contracts.

**Pre-RFQ Meeting: Mandatory – April 11, 2016 at 1:00PM at 50 Caretaker Road, New Britain CT 06052**

**Date and Time of RFQ Opening: May 5, 2016 at 11:00 A.M.**

**The Proposed Project Documents are available for review only at the Mandatory Pre-RFQ Meeting on April 11, 2016**
