New Britain Senior Center COVID-19 Protocols

Our biggest priority is to keep everyone safe and healthy while participating in our programs. Outlined below are the precautions we are taking at the New Britain Senior Center:

In order for the senior center to practice safe PPE procedures, seniors and staff must abide by the guidelines below:

Masks: Masks are required in the building at all times. This is for all activities and exercises. If this is a burden for any member, we strongly suggest the senior not participate and wait until guidelines change.

Temperature checks: Staff will be checking temperatures upon entrance of the building. Anyone with an elevated temperature at or above 100.4 will be denied entrance to class for the day.

Frequent sanitization/disinfecting: Staff will be disinfecting equipment and rooms before and after classes. Please leave promptly after class to allow us to do so.

If you are sick with any of the following symptoms (cough, fever, vomiting, diarrhea, sore throat, loss of smell/taste, headache) please do not attend any classes.

Lunch program is to go only: There are no congregate meals allowed at this time.

Preregistration: Members must preregister at least one day in advance of any class. This will ensure that we do not have too many people in the building at one time.

No Loitering: This will be strictly enforced. There will be no gathering in the building. The puzzle room and tv room are closed. We know that you will want to socialize and catch up with friends, but please respect these rules, as they must be followed for us to continue to stay open.

Water Fountains: Used for filling up personal water bottles only. No drinking directly from the fountain.

No sharing of food or drinks

Please work with us as we navigate through the ever changing COVID Guidelines.

Beginning June 1st the Senior Center will be updating its offerings as guidelines have changed.

STAY TUNED!
