## Change of Address

Connecticut law requires all Connecticut residents with a vehicle registration, driver's license, or non-driver identification card to notify the DMV within 48 hours of any change of address.

In order to change your address, you must print out and complete a [Change of Address form](#).

Return the completed form to:

Department of Motor Vehicles  
60 State Street  
Wethersfield, CT 06161-5070  
Attn: Data Entry Change of Address Unit

Please note: No applications will be accepted unless signed by the applicant.

This one form will allow joint owners to make changes on the following documents:

- Driver's License
- Motor Vehicle Registration - Up to (4) marker plate numbers.
- Vessel Registration
- Non-Driver Photo ID Card

**Note:** Property tax bills for registered vehicles are sent from your local tax collector and are due in January and July. If you change your address there is a chance that you may not receive your property tax bill in a timely manner, even if you file a forwarding order with the post office. **You are liable for the payment of property tax, even if you do not receive a tax bill.** Failure to pay the tax bill on time may result in denial of future registrations and/or suspension of your registration privileges. Be sure to check with the Tax Collector in your previous town and new town if you do not receive a bill. This situation may apply whether the move is within the same town, elsewhere in Connecticut, or out-of-state. If you move out-of-state you must return the Connecticut marker plates to Connecticut DMV for cancellation to ensure that your vehicle will no longer be assessed for property tax in Connecticut.
