Starting, Expanding or Relocating a Business?

If you've got questions, we've got the answers.

Connecticut's Business Response Center makes it easy for you to learn what you need to know about doing business in our state. Our friendly, knowledgeable staff provide information and referrals for federal, state, regional, municipal and private programs. Additionally, we can tell you all you need to know about the state's business licensing and registration process, assist in searching for commercial property, and even provide economic and demographic data for your business needs. Our services are customized to meet your specific needs and most importantly, they are **FREE**. With the information you receive, you'll be on your way to growing your business in Connecticut!
