

# FROZEN

Chooseday Club Children in the Upper Juniors were thrilled to have the opportunity to visit Drury Lane Theatre in the West End and experience the live music and stunning sets and special effects of the show, Frozen. This opportunity had been booked 2 years ago but had been deferred owing to Covid.

Not only did the children get the opportunity to sing along with Elsa and Anna but they also were able to have a guided tour of London and were able to see the Houses of Parliament, Downing Street the Cenotaph, Trafalgar Square and

Admiralty Arch. Many famous figures were spotted, Boudicca, Churchill, Gandhi and Nelson. Lunch was held in St James' Park, home to pelicans, geese and swans. The journey home took us down Regent Street and the Christmas lights and a chance to see Hamleys, the biggest toy store in London. It was one amazing day.
