## Careers E-Bulletin

**Issue 6 – 3 December 2021**

### **Y10 - Y13 NHS Allied Work Experience Programme, Sun 5 Dec 10am-5pm**

The NHS Allied Work Experience Programme is now in full swing. The next Work Experience Day is on the 5th December and it will cover the following healthcare careers:

Nursing  
Paramedicine  
Occupational  
Dietetics  
Prosthetics and  
Speech and  
Pharmacy

Midwifery  
Physiotherapy  
Therapy  
Radiography  
Orthotics  
language therapy

The Day will take place through an online portal and run LIVE from 10am-5pm, following 2 patients. You will see them interact with a variety of healthcare professionals so that you develop an understanding of the multidisciplinary team as well as insights into your own chosen career. You will also have the opportunity to interact with the healthcare professionals via a LIVE Chat function and polls throughout the day

The cost is £10 per session – register here - <https://alliedhealthmentor.org/nhs-healthcare-careers-virtual-work-experience/>

### **Y10 - Y13 –Multi Employer Accounting & Professional Services Careers Event with PwC, Grant Thornton, CIMA & Mazars, Tues 7 Dec 5pm-7pm**

This is a great opportunity to hear from world-leading accountants and financial consultants from a number of companies all in one evening. Each company will speak for 25 minutes, giving you an insight into their business and running interactive workshops to give you a real taste of what it's like working for their organisation.

## The Companies Involved:

**PwC:** With offices in 155 countries and more than 284,000 people, PwC are among the leading professional services networks in the world. PwC firms provide services to 84% of the Global Fortune 500 companies and more than 100,000 entrepreneurial and private businesses. For the year ending 30 June 2020, PwC's gross revenues were US\$43 billion.

**mazars**

**Grant Thornton:** one of the world's largest professional services network of independent accounting and consulting member firms that provide assurance, tax and advisory services to privately held businesses, public interest entities, and public sector entities.

**The Chartered Institute of Management Accountants (CIMA):** founded in 1919, the world's leading and largest professional body of management accountants. CIMA offers training and qualification in management accountancy and related subjects.

**Mazars:** a leading international audit, tax and advisory firm. Operating as a united partnership, they work as one integrated team, leveraging expertise, scale and cultural understanding to deliver exceptional and tailored services in audit and accounting, as well as tax, financial advisory, consulting and legal services.

## Y9 - Y13 – Insight into Engineering, Wed 8 Dec 5pm-7pm

On Wednesday 8th December Young Professionals are hosting a virtual Insight to Engineering Multi-Employer Event, joined by 5 of the biggest engineering companies in Siemens, Spectris, Vodafone, Equans and specialist university NMITE.

Each company will speak for 20 minutes, giving you an insight into their business and a taster of what it's like working for the organisation.

## The Companies Involved:

**Siemens:** a technology company focused on industry, infrastructure, transport, and healthcare. From more resource-efficient factories, resilient supply chains, and smarter buildings and grids, to cleaner and more comfortable transportation as well as advanced healthcare. Operating in more than 200 countries last year Siemens Group generated revenues of €55.3 billion.

**Spectris:** harnesses the power of precision measurement to equip their customers to make the world cleaner, healthier and more productive. They provide global customers with specialist insight through their high-tech instruments and test equipment, augmented by the power of software.

**EQUANS:** with revenues of €12 billion, EQUANS is present in 17 countries - mostly across Europe, but also in North America, Latin America and Australia. With nearly 74,000 employees, EQUANS has excellent technical know-how in design, installation, maintenance and performance services, with a unique combination of skills in HVAC, Cooling, Facility Management, Digital & ICT, Electrical, Mechanical & Robotics.

**Vodafone:** a FTSE-100 British multinational telecommunications company connecting over 334 million people and organisations of all sizes to the digital society. Their engineering community is made up of "game-

changers and future-makers". With opportunities in software and network engineering, solutions architects as well as sub-marine engineering.

**NMITE:** a newly developed specialist engineering university with ties to some of the world's leading engineering companies.

If you're interested in hearing about how engineers are changing the way we live through getting involved with cutting edge developments in order for us to live in a more sustainable environment then this is for you!

## **Y11 - Y13 – Careers in Engineering and Construction with Mace Group, Thurs 9 Dec 5pm-6pm**

# mace

Are you thinking about a career in construction or engineering? On 9th December from 5:00pm - 6:00pm Young Professionals will be hosting an insight session into one of the biggest construction firms in the world.

Mace Group Ltd, commonly known as Mace, is a global consultancy and construction firm headquartered in London, United Kingdom, employing approximately 5,000 people, across five continents with a turnover in excess of £2 billion. Mace are involved in some of the most impressive building projects around the UK and the world and offer a variety of fantastic apprenticeship and graduate schemes.

You will hear from the Deputy Chairman who will share insights into his background and career journey. Mark will finish by giving his advice on what he looks for in top talent. You will also hear from a panel of current apprentices and graduates from within the company who will discuss what life is like within the firm and what the process of securing a position in the firm is like.

Register here - <https://www.surveymonkey.co.uk/r/Mace-Group>
