Dear Customer,

We are pleased to inform you that the Small Business Administration (SBA) has approved your request for **full forgiveness** of your Paycheck Protection Program (PPP) loan.

As a result of the SBA's decision to approve your request for forgiveness, your loan is now considered **paid in full and no payments will be required.**

Please note that the SBA reserves the right to review your PPP loan at any time at its discretion. The SBA requires that you retain all records relating to your PPP loan, including documentation (i) submitted with your original PPP loan application, (ii) supporting the certifications made as to the necessity of the loan and your eligibility for the PPP loan, (iii) to support your forgiveness application, and (iv) demonstrating compliance with the PPP requirements. You are required to retain all such documentation for a period of six years. If the SBA decides to undertake a review of your PPP loan, we will notify you as soon as possible.

It is your responsibility to ensure that you have maintained compliance with PPP requirements at all times and have carefully maintained the required records. All rules and guidance for the PPP is available on the SBA's website at: <https://www.sba.gov/funding-programs/loans/coronavirus-relief-options/paycheck-protection-program>.

It was our privilege to assist you with your PPP loan. If you have any questions, please contact Marbelia Garcia at 956-781-4321.

Best regards,
