

Dear Parents and Carers 6.12.21

This week we are looking at the Nativity story and learning all about the characters, making predictions about what will happen next and learn about how Christians celebrate Christmas.

In maths this week we will be re-visiting 3D shapes. We will be learning the names of cylinders, cubes and cuboids, looking at their properties and working with an adult to sort different shaped objects. We will also be practising identifying and creating our own repeating patterns.

Words of the Week

manger

Bible

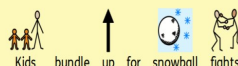

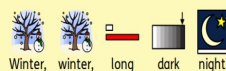

Christmas Assembly

Parents and carers are warmly invited to attend our Christmas themed assembly on Wednesday 15th December 2021 at 2.40pm in the main academy hall. Please note this is restricted to parents and carers only. Please see your Parent Pay invite for further information

Phonics

We will continue to look at r, l, k, u

Please support your child with their phonics by continuing to read with them at home.
