

Lesson 10: Multi-Lane Traffic – Northfield/Wilmette

Points of Emphasis: Lane Choice and Turn Lanes

NOTES:

1) When driving in multi-lane traffic use the IPDE Process:

- Identify
- Predict
- Decide
- Execute

Route:

- 1) Left out of Lot
- 2) Right on Shermer (Lane change to left)
- 3) Left on Willow (Lane change to right before Waukegan)
- 4) Right on Waukegan (43) (Merge left - Lane change left after car dealers)
- 5) Left on East Lake (3rd light after car dealers – Starbucks on corner)
- 6) Left on Laramie (Loyola High School on corner)
- 7) Left on Illinois (@ stop sign – pass Loyola)
- 8) Right on Happ (No street sign - Stop sign - road curves – power lines on left)
- 9) Switch Drivers at New Trier West (Lot on right after river – practice perpendicular parking)
- 10) Exit New Trier – Right on Happ
- 11) Left on Willow (Starbucks on right corner- Power line towers on left)
- 12) Right on Waukegan
- 13) Left on Founders (Double turn lane - Big Church on corner – sign for To Techny)
- 14) Right on Techny (@ Stop sign)
- 15) Left on Shermer (After Rail Road)
- 16) Right on Sherman to GBN
