

American Red Cross

Make a **Life-Saving** Difference as a **Red Cross Volunteer!**

The American Red Cross collects and distributes about **40 percent** of our nation's blood supply. **Help** create a **rewarding** donation experience to encourage donors to make a long-term commitment to regular donations! You help **save** lives each time you volunteer.

- **Greet** blood donors and help donors check-in using our tablets or laptops
- **Engage** and socialize with blood donors to inspire future blood donations
- **Answer** FAQ about blood donations
- **Direct** donor to next step of donation or options for future donations
- **Manage** the hospitality experience by offering refreshments to donors, thanking them for their contribution, and alerting staff immediately if a donor shows signs of feeling unwell

Requirements:

- Minimum commitment of 3-6 months
- Select 4 or 6-hour volunteer shifts for blood drives throughout Orange County
- Ages 13-15 must volunteer with parent or guardian. 16+ may volunteer alone but still need parental consent.
- *Must be fully vaccinated no later than December 31 with required supporting documentation. Note that fully vaccinated means at least two weeks after the final dose of vaccine.*
- Must have reliable transportation to blood drives
- Complete 30 minute online orientation/training.
