- **Laser Light Show:** On December 22, students will enjoy a winter laser show sponsored by the MES PTO

Hello Mitchell Families!

I hope your Thanksgiving break was a wonderful one! We were very busy here at Mitchell in the days leading up to break with our focus on gratitude. Students created a chain of thanks and each contributed a link and wrote what they were thankful for. Our staff participated in a feather of thanks activity where each chose a feather with a staff name from a bag, and wrote what they were thankful for about that person. We also had classes that participated in the same activity!! Our awesome PTO also decorated one of our display cases to go along with our theme! I also want to show my gratitude for all the wonderful staff students and families at Mitchell! The year has been a great one so far with everyone working as a team!

Please see the flyer sent out with this regarding the Pajama Day on December 10th. We will participate along with many other schools and businesses across CT in wearing pajamas and raising money for CT Children's Hospital! Besides sending your child in with a dollar to wear pajamas, you may also donate using the link on the flyer.

Lastly thank you for your continuous support in working with all of us to help make your child's experience at Mitchell such a great one!
