

# Snow Horse Stampede

December 7, 2021

Dear Snow Horse Families,

There's no place like an elementary school for the Holidays. It truly is the most magical time of the year. Please check the calendar of events and read through the second annual Colt Holiday Countdown! We'd love to have your students participate. We have a few students who would like to share their Elf on the Shelf with their classmates. Bringing toys to school causes a distraction, and can disrupt teaching time. Please be sure to remind your student to keep them at home.

Thank you for supporting our Annual Technology Fundraiser. All cards will be counted and distributed this week. Please watch for an envelope to come home with your order. We appreciate you and the support of Fiiz, Krispy Kreme, and Little Caesar's Pizza.

Brrrrr... its getting cold outside! Remember to send your students to school each day prepared for the weather. Coats, gloves and hats help to keep the chill of winter at bay while your students are at play. Colder temperatures are often before school starts in the morning. As a reminder students should arrive to our playground blacktop around 8:40am. The first bell rings at 8:45am. The second bell rings at 8:50am. In order to maximize our learning time, students are brought into the building during that 5 minute transition period. For your child's safety, students should check in through the front office if late, as all exterior doors are locked. Teachers who are assigned to carpool duty are there to conduct a final sweep of the area. Your student is welcome to accompany them into the building. We appreciate our teachers who sacrifice their time to serve on carpool duty, and for your assistance in helping to get students here on time. Thank you.

Please be sure to remind your students to check the lost and found, or feel free to stop by and have a look for yourselves. We will send all unclaimed items to charity on Dec. 17th. There are coats, jackets, water bottles and more!

Sincerely,  
Principal J. Slater, M.ED

**VOL.4 DECEMBER  
2021**

Dear Families,

For the month of December, we will learn about how self-control helps us take turns. To practice this, we will do a partner coloring activity. Two students will work together to color a picture, but only one student can color at a time. Students will practice waiting, watching, and encouraging their partner while they wait for their turn.

You can practice this at home by doing another cooperative art activity. Take turns coloring a picture in a coloring book with your student. Set a timer for 1-2 minutes each and take turns. Or you can practice by playing just about any board game!

Sincerely,

Linda Flynn, School Counselor
