

Photo/Media Release Form

Carolina International School recognizes the need to protect your child's privacy when promoting the school in its activities with the community and on its school and teacher's websites.

Pictures usage may include school and teacher websites, press releases, and applications for grants and school recognition awards, and Power Point presentations shown to potential families.

To maintain your child's safety, no names will be provided for the students' photographs. CIS wants the parents to have a choice in this matter of allowing their child to be used in school promotions.

Please fill out and return this form with the other beginning of the year forms as quickly as possible.
