

# Parents' Guide to Giving and Getting Involved

As partners in your daughter's education, you are needed and valued. Every hour given to preparing for an event or advising on a council or committee, as well as every dollar given or secured to advance the mission of Rosary, matters.

## It's imperative • It's fun • It's appreciated

You make a difference. Every gift, no matter the size, makes a difference.  
Every hour of your time given makes a difference.

## Volunteer Opportunities

**Parent Council:** Leadership roles and liaison positions available. All parents are welcome to monthly meetings.
