Principal's Message

Dilworth Family,

A reminder that tomorrow, Tuesday Dec. 7th, is an Asynchronous day as teachers will be in a State mandated training. Teachers will be sending work home for students to work on. Please check with your students and make sure they have a plan to complete it tomorrow.

We will have the second dose of Covid vaccination available here at Dilworth this week on Friday, Dec. 10th, from 10:30 a.m. to 12:30 p.m.. Once again, children need to be accompanied by a guardian. Boosters and vaccinations for adults will also be available for anyone who wants to get one. The Health Department has said they will also have Flu vaccinations for those who would like to get one.

We appreciate those who are following our drop off and pick up protocols out in our South parking lot. Please plan a little extra time, just in case. Be courteous, and above all, let's do our best to keep our students safe.

We appreciate all you do!

Kind regards,

Richard Squire, Principal

LIBRARY NEWS - Dragons Are Readers!

Week of December 6th

“There is more treasure in books than in all the pirates’ loot on Treasure Island and best of all, you can enjoy these riches every day of your life.”

 — Walt Disney

___ Dragons really are readers! Ms. Bendall's 2nd grade class and Ms. Hunt's 3rd grade class have won the reading trophy for the month of November. Congratulations!

All Dragons should be reading a good book at their level for 20-30 minutes at home each night.

This week's Library lesson: Hour of Coding - What is Coding? How does it work? Why learn Coding? All good questions. K-2 will be learning about patterns with coding. 3rd - 5th will be participating in the Hour of Code with various activities. Sixth Graders will be researching their topics via Utah's Online Library and practicing "paraphrasing" and "citing your sources." Important skills to have in this digital world!

Thank you to everyone who has donated so far! Our bins are filling up fast! Just a reminder that Helping Hands continues until December 15th! Blank mittens are available for students who donate to decorate. Students are free to take any mitten design they would like to decorate. Remember, no donation is too large or too small - anything and everything helps!
