## After School Expanded Learning Program TK/KINDERGARTEN ENROLLMENT VERIFICATION FORM

December 2021

Dear Parent/s:

On December 1, 2021, the Santa Barbara Unified School District started new enrollment for the 2022-2023 school year. Enrollment is based on the parent’s home address. Please contact your neighborhood school to enroll your child. If you do not know what school your child should attend, please contact the district’s Office of Student Services at (805) 963-4338 x6276.

When your registration is complete, please have the school secretary complete this form and return it via email to: Cecilia Valencia at [cvalencia@sbunified.org](mailto:cvalencia@sbunified.org). At that time, we will place your child on the After School Program waiting list of the school that your child will be attending TK/Kindergarten. **Completion and return of this form does not necessarily guarantee a space in the program. We will not place a child on a waiting list without this form.**
