

FINANCIAL AID PAYMENT SCHEDULE

2021-2022

Northwest Mississippi Community College students receiving grants, scholarships and loans may defer all fees (tuition, books, and room/board) up to the total of all official awards until the awards are paid by the Business Office. No financial aid will be officially awarded until the student has met all admission requirements as determined by the Registrar, the student's FAFSA is completed (including Verification), and eligibility has been determined by the Financial Aid Office.

WITHDRAWAL/DROP OUT OF SCHOOL- If you withdraw from school before you complete sixty percent (60%) of the school term, you may still owe a balance to the school.

FALL 2021 Withdraw on or after October 22, 2021 (Approximately) Earn 100%

SPRING 2021 Withdraw on or after March 23, 2022 (Approximately) Earn 100%

These dates are estimates. Your actual dates will be keyed into the US Department of Education's R2T4 online module to calculate the exact % earned. These dates may also vary depending on your class schedule (i.e. all online, all day classes, all evening, etc.). Each mini-term has its own beginning and ending dates which will affect the % earned.

We do not want you to withdraw, but if you must, withdraw after the above date, if possible. Withdrawing from school can also affect your future financial aid eligibility and result in you owing money to the college.

The Financial Aid Office will authorize all financial awards (grants, loans, work-study, institutional scholarships, and all other scholarships), and the Business Office will credit all awards to the student's account.

Refunds: School charges **will be withheld from the first monies (usually student loans)** credited to the student's account and any remaining funds will be disbursed from your student account by the Business Office according to the following schedule.

NOTE: NWCC has partnered with BankMobile to deliver financial aid refunds including grants and loans to students who have credit balances after all charges have been paid. All students will receive a Refund Selection code mailed to their permanent address on file with the college. Students have the option of having funds transferred into an existing bank account or receiving a paper check. Students may choose to open a BankMobile Vibe checking account and receive their funds via direct deposit.

Student Loans: Your enrollment status will be checked according to the below schedule. **If you drop below 6 hours on or before this date, you will not receive your student loan.** Any amounts for which you are eligible will be disbursed to your Business Office account.
