2020-2021 REPORT ON GIVING

COURAGE, HUMILITY, AND LARGENESS OF HEART

OLDFIELDS SCHOOL
1500 Glencoe Road
Sparks Glencoe, MD 21152
410-472-4800

Dear Alumni, Parents, Grandparents, and Friends,

When I think back to a year ago today, my how our lives have changed! Some things will never be the same, and that's okay, because we have changed...our way of thinking and doing has transformed, individually and collectively. We have each learned important lessons through the pandemic—how to pivot and adjust, to think creatively, to get back outside, to tackle home improvement projects, to begin new hobbies and revitalize previous passions, and to discover that the offerings on Netflix are truly endless! There is so much that we hopefully will never take for granted again.

Most importantly, the pandemic has taught us to take stock of the people and places in our lives that we care about, and to cherish those relationships that are near and dear to our hearts, special places like Oldfields School. We are grateful for the many members of our community who chose to support the Oldfields Experience during the 2020-2021 academic year. Thanks to your commitment, our girls enjoyed an in-person academic experience. They were able to be in the classroom, socialize with friends, compete in athletics and riding, enjoy recreational activities, and to continue to forge the life-changing relationships with peers, faculty, and advisors that are such an important part of the Oldfields Experience.

Thank you for playing an important role in the School's success in being able to provide a wonderful education experience in and out of the classroom. On behalf of our students and faculty, please know how grateful we are for your commitment to and investment in Oldfields.

Sincerely,

A handwritten signature in blue ink that reads 'Pamela Susi'.
