Through your school's Naviance Family Connection site, you will be able to complete the course and track all of the work you complete. Method Test Prep uses proven strategies that are clear and

easy to understand for any type of learner and students have seen measurable progress using the course.

PrepMe features an adaptive learning platform that identifies your strengths and weaknesses to create personalized study plans based on your unique needs and timelines. In order to best

prepare you for the ACT and to utilize this unique feature, we recommend that you take the Diagnostics Tests for each section first. These Diagnostic Tests will be on the home page of the **PrepMe ACT** course.
