HOUSE FLAGS

Cor Unum Program
\$2,500

100%

"The Cor Unum program is a unique and innovative approach to school spirit and community that is at the center of Holy Ghost Prep. These four flags will help with visibility and prominence of the House system which is the student grouping system within Cor."

#02

COXORB TUNGSTEN

Rowing Team
\$1,000

100%

"The rowing team cannot race without having proper working coxswain equipment. The CoxOrb connects to the boat and allows the Coxswain and coaches to receive data for workouts and timing. Most importantly, it is how the coxswain communicates to the rowers during practices and races."

#03

HUDL ASSIST & HUDL FOCUS

Athletics Department
\$8,000

100%

"This video recording and film breakdown technology will allow players to see areas where they excel and areas that might need improvement. This technology provides game breakdown details for coaching staff including analytics to optimize the team's overall performances and enables student athletes to increase their recruiting visibility."

#04

OUTDOOR BASKETBALL COURT RENOVATION

Athletics Department
\$2,000

100%

"The outdoor basketball court on campus provides a space for our students, summer camp visitors, and special HGP spirit gatherings that take place during the school year."

#05

DRAFTING TABLES

Art Department
\$3,000

100%

"The Art Studio is in need of new drafting tables! The students will benefit by having a strong, sturdy, clean workspace that they can use for every class, every day. This is the most essential piece of equipment our students use in the art studio."

#06

DIGITAL MARQUEE

Performing Arts
\$2,500

55%

"A marquee display in the Holt Center will provide the students with another source of information such as upcoming events, rehearsals, practices and school announcements. It will also provide an outlet for displaying student artwork, performance headshots, and other achievements."

#07

GRAPHING CALCULATOR CLASS SET

Math Department
\$4,500

54%

"Students will benefit from the use of these new calculators by giving them the tools to explore and discover different trends, share and analyze data, and to have a tangible visual. These items will prompt critical reasoning, drawing conclusions, and classroom collaboration."

#08

SCIENCE EXPERIMENT EQUIPMENT

Science Department
\$1,000

100%

"This bundle of science experiment equipment provides our students with the most up-to-date technology. These items will assist with precise measuring and assisting in experiment analysis."

#09

SPIRITAN MISSION TRIPS & SERVICE INITIATIVES

Scholarships
\$5,000

100%

"Spiritan immersion experiences will provide our young men with opportunities to give back to their surrounding communities. These experiences take place in Philadelphia, West Virginia, Harlem, Pittsburgh, and Ireland. Your support will provide financial assistance to deserving students."

#10

HOLY GHOST FUND

Area of Greatest Need
\$7,500

100%

"The Holy Ghost Fund provides support to the areas of greatest need at Holy Ghost Prep. Your support will allow us to retain the highest caliber faculty, offer the most cutting-edge programming and provide deserving students with a life changing opportunity in becoming a firebird."

\$3,720 raised for other campus items
