

PARKING LOT RULES AND VEHICLE REGISTRATION FORM

***If you are planning to drive to LHS this year, please read this form with your parents and sign in the appropriate areas. This completed form must be presented to receive a parking permit.**

***Parking registration for the school year will not be accepted until all previous assessed fines have been paid. *Operating a vehicle is a significant responsibility and driving to school is a privilege. While students are highly encouraged to use bus transportation provided by the Issaquah School District or carpool, we recognize that it is often necessary for students to transport themselves to school. For the convenience and safety of all our students and staff, the following parking and driving rules are in effect for the school year.**

PERMITS: Drivers parking their cars on school premises must have: (1) All fees and fines paid. (2) Registration form with parent/guardian signature on file. And (3) parking permit and permit number visible inside car. Permits may be shared provided each vehicle using a permit is registered with the school and the parking permit is visible inside the vehicle when parked on campus. Lost or stolen permits may be replaced for a \$5 fee. **PARKING:** Parking regulations are strictly enforced. Since it is a privilege to park on school grounds, suspension of driving privileges, towing of vehicles and/or suspension from school may occur when these regulations are violated. Students applying for and receiving parking permits should fully understand their responsibility in following the rules. (1) The student lot is reserved for students who pay the fee and agree to abide by the parking lot rules. (2) Parking on school premises is limited to those who have legally registered automobiles and drivers licenses and who obtain a parking permit through the established process. (3) it will be the responsibility of the student driver to insure that the permit including the permit number is visible from the outside of the vehicle (hanging the permit from the rearview mirror is preferred). Motorbike drivers must obtain a permit and follow all regulations. (4) Students are to park only in their assigned parking space during the school day. (5) Students may **not** park in the staff or visitor parking areas, which are north of the flagpoles, along the bus lane and behind the school under any circumstances. (6) Parking is **not** permitted in the fire lanes, disabled person's parking stalls (unless student has a valid disabled person's parking permit), or open and unmarked areas including fence lines. (7) All vehicles must be parked within the lines of a designated parking stall. One car per stall and one stall per car. **DRIVING:** (1) All students must be currently licensed and covered by automobile insurance. While the school district makes a concerted effort to maintain a safe and orderly campus environment, the school is **not** responsible for automobile, its contents, or damage to private vehicles either on or off school property. The school district is also **not** responsible for theft or vandalism that may occur to a vehicle while parked on our lot or in the vicinity of the school. (2) Speed on school campus is to be kept **at or below 10 mph** and drivers **must** operate their vehicles with due care and caution at all times. (3) Drivers **must** come to a complete stop at all stop signs on campus. (4) Drivers **must** yield to all pedestrians. (5) Drivers **must** stop when directed to do so by any school staff member. (6) Spinning or sliding tires is **not** allowed on campus. (7) Driving on or across islands, curbing, other dirt or grass areas or pedestrian walkways is **not** allowed. (8) Inappropriate driving will result in discipline or loss of parking privileges. (9) By parking on school grounds, students agree that they will **not** allow contraband in their automobiles. (10) By accessing school parking lots, students agree that their automobiles are subject to search by school officials if the officials develop

individualized suspicion that student(s) are or have been violating a law or student conduct rule. (11) The parking lots will be subject to periodic patrols by drug sniffing dogs at times when students are not in the vicinity of the dogs. (12) If a drug sniffing dog “hits” on an automobile while it is parked on school premises, the district has the authority to search the car or cars that are subject of the “hits”. **If said search is refused, students will lose their parking privileges and the district will presume that the dogs have accurately discovered contraband in determining whether student disciplinary action is warranted. TICKETS:** Campus security will issue tickets for violations of the above rules. Each violation carries a fine of \$20.00 that must be paid within 5 school days of receipt. Failure to pay parking fines may result in school disciplinary action up to and including loss of parking privileges and towing at vehicles owners expense. Drivers who receive four or more tickets for violations of parking lot rules will be subject to school disciplinary action up to and including loss of parking privileges and towing at vehicle owners expense.

THE ABOVE RULES WILL BE STRICTLY ENFORCED

PARKING AGREEMENT: I have read and understand Liberty High Schools parking lot rules as set forth in this document. I understand that parking at Liberty High School is a privilege extended to me as a student and that I can lose this privilege if I fail to comply with these rules. I understand that my vehicle may be towed at my expense and that I may be ticketed and fined if I am found to be violating any of the above rules. I further acknowledge that the school district, Liberty high School and its agents cannot be held responsible for damage or loss due to vandalism, collision or theft of my vehicle or contents thereof.

I have read and agree to abide by the rules stated on the “Parking Lot Rules and Vehicle Registration Form.”
