

ANNUAL REPORT

SEATTLE COUNTRY DAY SCHOOL

July 2020–June 2021

*Inspiring gifted children to reach their potential
through inquiry, curiosity, and wonder*

ANOTHER VIEW

In addition to providing a window into an organization's financial health, Seattle Country Day School's 2020–21 annual report also provides another important view: that

of a vibrant and caring community.

Last year, we had a record-breaking Annual Fund season, raising nearly \$528,000, and just a few months later, our auction, Thrive, garnered more than \$309,000. Our leaders and volunteers were equally impressive: They worked tirelessly to make the school a better place for students, for employees, and for fellow parents. It amazes me that this community, disrupted as it was by the pandemic, made such wonderful efforts on so many levels.

Although our community's dedication amazes me, it doesn't surprise me. We have excellent, enterprising volunteers, and we also have a stellar group of faculty and staff. And, importantly, all of us were working toward one goal: the education, safety, and well-being of 370-some students during a very challenging time.

Last year and every year, our students' energy and creativity provide the impetus for our community's hope, hard work, and — as you'll see in the following pages — generosity. My thanks to you all.

THE ANNUAL FUND

SUPPORTING TODAY'S OBJECTIVES

In 2020–21, our community helped the Annual Fund achieve an impressive, record-breaking fundraising total. These gifts to the Annual Fund benefit students directly by funding need-based financial aid, enriching student programs, and allowing the school to respond to opportunities and challenges, like those posed by the pandemic. "This fund has enabled me to send my child to SCDS with the support of a generous scholarship. I hope to be able to make a larger donation and to give back to families in need of financial aid in the years to come. My student continues to grow and thrive at SCDS, and I am so grateful for your support!"

THE AUCTION: THRIVE

In March 2021, SCDS held its annual fundraising auction. Last year's auction, called Thrive, benefited from numerous generous individuals and organizations who became sponsors, provided in-kind donations, and raised their paddles. Thank you to everyone who made Thrive a fun, special evening, one that raised more than \$309,000 for our students and our school.

THE INFINITY FUND ENDOWMENT

FOR TOMORROW'S STUDENTS

Last fiscal year, the contributors below donated \$41,000 to the Infinity Fund Endowment. This endowment was created in 2016 to provide long-term, secure funding for financial aid, the recruitment and retention of excellent teachers, and school programs. Its market value, as of June 30, 2020, was \$8.3 million.

The SCDS Board of Trustees determines on an annual basis how much, if any, of the endowment's income will be used for the purposes stated above. At this time, as determined by the SCDS Board of Trustees, the endowment will remain in a building phase. Our thanks to the contributors below for their investment in tomorrow's students.

"This is our family's last year at SCDS. Thank you for the amazing education you have given my kids for the last 13 years. And, as if that weren't enough, thank you for creating a community that has stood by our family during our most difficult times."
