1514 E. Zion St.

Booker T. Washington is a world-class academic magnet high school in the heart of America. In 2009 and 2016, the school received the coveted distinction of being a National Blue Ribbon School recognized by the U. S. Dept. of Education for academic excellence.

Founded in 1913 to serve the citizens of the African-American community, Booker T. Washington was chosen in 1973 to be the vehicle for Tulsa's school desegregation program. Today, we serve students from every racial, ethnic, religious, and socio-economic group in Tulsa.

Booker T. Washington continues to thrive based on the twin ideals of promoting excellence and acceptance of diversity. Booker T. Washington High School's academic record and history is equaled by none in the area. Universities and colleges eagerly recruit our graduates to attend their institutions, and our graduates are offered millions of dollars each year in scholarships to continue their educations.

We offer the International Baccalaureate Middle Years Program, the International Baccalaureate Diploma Program, and Advanced Placement courses, all of which are designed to prepare our students for academic success beyond the secondary level. Students may also participate in concurrent enrollment and career tech courses. At Booker T. Washington, hard work and determination are instilled in our student body everyday - rewarded not only by trophies and accolades, but also by building life-skills that will assist them for the rest of their lives.

## INTERNATIONAL BACCALAUREATE

The IB programs are different from other curricula because they:

- encourage students to think critically and challenge assumptions
- encourage students to consider both local and global context
- develop multilingual students

Beyond preparing students for college-level work, the International Baccalaureate program calls for students to express themselves through writing, requires community service, and aims “to develop inquiring, knowledgeable and caring young people who help to create a better and more peaceful world through intercultural understanding and respect.”

Thank you Tulsa for investing in every child and every school! Because of you, every child in our district will see, feel, and experience the benefits of the 2021 Bond package. Tulsans have made a five-year \$414 million investment in safe and accessible schools; state-of-the-art educational technology; sustainable student transportation; and rigorous, engaging, and culturally sustaining learning experiences that prepare students for success in college and careers.

### At Booker T. Washington, the 2021 Bond for Tulsa Public Schools includes:

- » New tennis courts and stadium waterproofing.
- » Remodels for the school’s science labs and investments in STEM equipment;
- » “Refreshing” the school’s cafeteria with new furnishings to make it a flexible multi-use space for students, teachers, and support professionals;
- » Extensive safety and security improvements, a new roof, and parking lot repairs;
- » Repairs to the HVAC system to improve air quality supported by CARES Act federal funding; and
- » Upgrades to the lighting, sound, and curtains in the auditorium.
