Principal Hamilton's Message:

Joyous Advent to All! During this season of waiting, it is important to pause and reflect to remember the real reason for celebrating Christmas: the birth of our Lord and Savior, Jesus Christ! So, as we prepare for our family celebrations, church services, and holiday meals, take a moment to pause and marvel at the fact that God loved us so much that he sent his son in the form of a human to save us all. As we marvel at the Christ Child in his innocence, let us also marvel at our own children; let us give praise for the wonders they are and potential they hold. Thank you for blessing us with your children each day as we work together to grow Christian people of character. May God bless you and your family this Christmas season and always! Please feel free to contact me anytime via email (angela.hamilton@hopeschools.org) or by calling the school at 414.264.4476. I return phone calls and messages within 24 hours of receiving them.

Many Blessings!

Classroom Highlights: Choir

The end of the semester is fast approaching and the Choirs at HCHS are working diligently to prepare our first ever Christmas Concert! We are so excited to spread joy, cheer, and worship this holiday season by bringing a mixture of modern and traditional Christmas music to our beloved Cafetorium. Choir students have been working on the fundamentals of music and applying it directly to learning their concert repertoire. We have come such a long way from the start of the semester. Majority of our scholars haven't had a music class since they were in elementary school, so it's been quite a journey together so far! In our last performance, we were able to sing beautiful melody together and now, we are able to bring you two-part harmony with our fabulous Christmas Concert repertoire! We hope you can join us for this special season. Our Christmas Concert will take place on Thursday, December 16, 2021, at 7:00pm in the Cafetorium at HOPE Christian High School and ALL are welcome to this free event. There will be songs of praise and merriment and even a reception with holiday goodies and treats to celebrate this joyous season together. We hope to "C" you there! - Miss Lara Brink, Choir Director

"Let your manner of life be worthy of the gospel of Christ...standing firm in one spirit, with one mind, striving side by side for the faith of the gospel." *Philippians 1:27*

Classroom Highlights: Spanish

¡Feliz Navidad y Prospero Año!

Greetings from our World Language Department at Hope High School.

This year we have 102 students from grades 9-12 enrolled in Spanish. As in all endeavors there is always a sense of going slowly in promoting a course which will enhance the student's ability to communicate with others in our local community. The students are coming along and making progress amidst our tight schedule during the virtual scheduling. As the students develop their vocabulary, we will move to more project-based learning and curriculum. My hope is that the students develop a solid base of vocabulary so that the second semester will be much easier for them to learn Spanish.
