# EDISON PREPARATORY HIGH SCHOOL

Edison Preparatory School focuses on academic excellence, student achievement, and making positive contributions to the community. Our school is both a school of right for students in our area, and also an academic magnet program for qualified student applicants. We have very talented, caring teachers and staff who work tirelessly to ensure that students receive a well-articulated and challenging curriculum, achieving their potential not only intellectually, but also artistically, athletically, and socially. We are also home to the only secondary deaf education program in northeastern Oklahoma.

# ADVANCED PLACEMENT CAPSTONE

Advanced Placement (AP) courses are the cornerstone of the magnet program, and we offer the AP Capstone diploma program. Our students can also complete coursework in world languages, performance arts, visual arts, leadership, and athletics. These opportunities provide students with a high quality, diverse, comprehensive educational experience that will prepare them for college and career after graduation.

“I’ve been fortunate to be a student at Edison since 6th grade, and I’ve participated in dance, pep club, National Honor Society, and even worked in the attendance office. As a student there are so many options to be involved and meet new people. I love how teachers are always helpful and happy to see us. I’ve learned that it’s okay to be different, and I love that I can just be myself at Edison.”

– Edison Preparatory High School student

Thank you Tulsa for investing in every child and every school!

Because of you, every child in our district will see, feel, and experience the benefits of the 2021 Bond package. Tulsans have made a five-year \$414 million investment in safe and accessible schools; state-of-the-art educational technology; sustainable student transportation; and rigorous, engaging, and culturally sustaining learning experiences that prepare students for success in college and careers.

**At Edison Preparatory High School, the 2021 Bond for Tulsa Public Schools includes:**

- » Replacing the school’s turf, track and tennis court resurfacing, and a new sound system for the field house.
- » Redesigning the senior high cafeteria into a flexible, comfortable, multi-use space for students and teachers;
- » Funding extensive safety and security improvements, parking lot repairs, and improvements to exterior lighting; and
- » Repairing the HVAC system to improve air quality using CARES Act federal funding.
