2021-2022

Breakfast and Lunch Service

A variety of breakfast and lunch choices are available daily for your child to enjoy. **This School year (2021-22), thanks to special pandemic relief funding, ALL students can receive 1 FREE breakfast and 1 FREE lunch in school each instructional day.**

Eligible households should still apply for meal benefits at www.myschoolapps.com. One application can be completed for the entire household when all members are listed. Parents may apply for benefits at any time during the school year. Eligibility for meal benefits may help families receive additional resources such as subsidized internet service, field trip fee waivers, and P-EBT benefits so it is important to still apply if you meet eligibility guidelines.

Meal Charge Policy

This school year each student will be able to receive one breakfast and one lunch at no charge! With free breakfast and free lunch there will be no need to purchase a breakfast or a lunch. Students must have cash or money on account to charge a second meal (breakfast or lunch) or any a la carte items. These items cannot be charged. Thanks to the generous donations of businesses and individuals in Carroll County all previous meal debt has been eliminated so no child in Carroll County will begin the school year with a negative balance and no debt will be incurred in the 21-22 school Year!
