### 3. District COVID Update

- a. See attached COVID cases (Students and Staff)
- b. Numbers have declined
- c. Staff and Students are getting vaccinated
- d. Test kits available on campus are helping
- e. Last week was the first week front doors were opened
  - i. Parents still not allowed on campus during the day
- f. Campuses are still closed to general public for safety
- g. Input:
  - i. Allergy season: how do we get kids to be comfortable
    1. Optional if student is going to be tested
    2. Ask a lot of the Assessment questions then make a determination on testing
  - ii. Lower Level
    1. Continue to keep the campus closed since the younger students can't be vaccinated
    2. Established a new norm, parents are not trying to fight the school. Keeping the students safe both with COVID and school safety.
  - iii. Sanitizing
    1. Supplies sent to campuses are allowing teachers and custodial staff to help team up together to keep the campus clean
  - iv. Test kit
    1. Test is not invasive and not as at the beginning of COVID
    2. Are students being made aware of the COVID test and encourage to continue wash hands
    3. More district announcements

### 4. Restroom damage and reviews of campus restroom policies

- Pictures of the restrooms at the campuses with the damage being done by students due to TikTok challenge
  - Urinals
  - Soap dispensers (currently a soap shortage)
  - Plumbing
  - Water damage
  - Soap issue/Now using bar soap in front of restrooms
  - Clogging toilets with soap bottles
  - Ripping mirrors off of the walls
  - Patricians
- Traffic in hallways
  - Intermediate restrooms
    - A lot of traffic going to the restrooms
    - Hard for teachers to determine if it is an emergency
    - Parents then get upset and complain
    - 10/10 policy
    - Sign out sheets
  - Currently a no Restroom Policy (it's needed)
- Thoughts:

- MS 3 passes a 6 weeks
- Limited as to when a student can go
- Students need to be told not to abuse the restroom
- Police on campuses: are they sitting or being proactive
  - Officers will not walk into the restrooms
  - Secondary to all disciplinary
  - Goal is safety
  - All disciplinary is on Administration and Staff
  - Officers are near the restrooms at MS and HS
  - Lower grades; Officers stay clear of restrooms
  - Tip Line for students to call and alert district
    - Currently a bully hotline-could change the name
    - Students need to not be afraid to report
    - Posted information; accessible to students
    - Students need accessibility to forward videos
  - Students need to have pride in the campus
  - What is the consequence
- Middle School
  - Limiting the student restroom access
  - Charged the parents for cost to damage to restroom
- Restroom Passes
  - 3 passes for students
  - Dr. Orders on file at High School (Google List)
  - All teachers on campus have updated list
  - Restroom passes given by school nurse
  - Parent responsibility to notify the campus if student has a medical issue
  - Sign in and sign out in restroom
  - Give teacher the phone in order for students to go the restroom
  - Teachers need to take up phone
  - MS no backpack day tomorrow; Dance at Middle School
  - Students and Parents need to be held to a higher standard
    - Concrete evidence is needed; if not student needs to be placed on notice
  - Sound sensors; vaping system, glass breaking etc....
  - Vaping sets up fire alarm
- Principal Meeting
  - Will bring all concerns and ideas to principals
  - Restrooms: doors being installed
  - Recommendation to make all restrooms ADA compliant
  - Limit the number of restrooms to help principals monitor
  - Graffiti limited
  - Cards swipe for restrooms
- Agenda for Next Meeting
  - Election of Officers
  - Vaping, Marijuana & Drugs
  - Mental Health
  - COVID Update
  - Next meeting: 12/16/2021
