Dear L-S Parents and Guardians,

I sincerely hope that you are having a safe and healthy start to the summer. As shared in my June 5, 2020, communication, our team is creating a Health and Safety Plan to serve as our local guidelines, as required by the PA Department of Education (PDE). To date we have thoroughly reviewed the [Preliminary Guidance for Phased Reopening of Pre-K to 12 Schools](#), consulted with our local healthcare professionals, and collaborated with school districts across Lancaster and Lebanon Counties to structure a framework for our safe and successful return to our buildings.

Our recommended plan will incorporate the elements included in the guidance from PDE and the Centers for Disease Control and Prevention (CDC). These measures include the cleaning, sanitizing, disinfecting, and ventilation of our buildings, social distancing and other safety protocols, and monitoring student and staff health.

To ensure the input of all of our stakeholders in the development of our plan, we would like to request your input by completing the following survey link: <https://forms.gle/6Kgkbwx8nT5eQtZu9>

Our goal is to have both a [PK-12 Athletics Health and Safety Plan](#), as well as our Phased School Reopening Health and Safety Plan recommended to our Board of School Directors for approval prior to July 1, 2020. Given this timetable we would request your completion of the brief survey by Tuesday, June 23, 2020.

Please continue to check our [website](#) for any updates or information regarding our Health and Safety Plans. An AlertNow phone call will be sent to all families as soon as we have a completed plan posted for your review. Our goal is to post a completed plan prior to July 1, 2020.

Thank you for your continued patience and support of our students and staff during this unprecedented time. I am confident that regardless of how and when our buildings reopen, we WILL be successful by continuing with the common understanding that...

**Kids come first.
We ARE L-S.
We ARE family.
We are ALL in this together!**

I wish each of you a safe and relaxing summer!

Sincerely,

Kevin S. Peart, Ed.D.
