*December 10*

Dear Gull Lake Families and Staff,

I have enjoyed the seasonal events taking place in our school community this week and appreciate all the hard work and dedication it takes to pull off a special event. I was able to attend the Middle School Band concert on Tuesday to celebrate the Holiday season with Ms. Chabitch and our 7<sup>th</sup> and 8<sup>th</sup> grade Jazz and Concert Bands. Our performers did an excellent job under the care and guidance of their experienced conductor! I saw parents, siblings and grandparents tapping their toes to the beat and attentively following the program. Thank you, Ms. Cha, and GLMS musicians for spreading so much Holiday cheer!

Our High School musicians also performed this week and I was able to see a follow up performance from several GLHS Choir members along with their teacher, Ms. Martuch. They volunteered to sing for Gull Lake Area Rotary Club members for their annual Holiday dinner held at the Gull Lake Country Club, which was draped in beautiful seasonal decorations. The choir performed several numbers leading up to the dinner and were greatly appreciated for making the moment extra special for our Rotarians.

I hope all of you are finding wonderful Holiday moments together with your family and friends during this special time.

Be Merry!
