**ENROLLMENT:** Though summer school is not required, we do ask that if you are enrolling your child, they do plan to attend. We have limited space and often students cannot take the class because it is full! The State aid we receive is also based on attendance!

**LOW CLASS FEES:** In order for Lodi School District to receive state aid, the district is only allowed to charge for supplies used for the class. The Lodi School District then must submit attendance information to receive our payment from the state. State Aid is based on attendance. Out of District residents should contact the school about out of district fees.

**WHAT TO BRING ALONG:** Be sure you send your child/ren schedule(s) along with them on the first day and for the correct session! Schedules can be printed by logging into Infinite Campus. Backpacks are optional and no other items are required unless indicated in the description of the class.
