Reindeers

Have you ever wondered why Santa Clause have reindeers instead driving a car? According to traditional festive legend in some parts of the world, Santa Claus's reindeer are said to pull a sleigh through the night sky to help Santa Claus deliver gifts to children on Christmas Eve. I did not know this. I hope you have a good holiday from your friend Pilo.

First Grade Field Trip

I attended my first field trip to Louisiana Arts and Science Museum. On this trip, we saw butterfly art. There was a dress and jewelry made out of bugs. I did not really like it because I am not a bug fan. We also visited the space section. We saw the moon, sun, and planets. My classmate and teacher went with me on this field trip. My favorite part was I rode a bus for the first time.
