Hello RAHS Families and Community –

After months of planning and behind-the-scenes work from our **Science Olympiad Executive Team**, students from around the region came to RAHS last weekend for the first in-person Science Olympiad tournament in almost 2 years! Alongside students from Tacoma, Camas, Portland, and elsewhere, our students learned, laughed, and had fun demonstrating their academic prowess in anatomy, astronomy, chemistry, forensics, ornithology, cryptography, remote sensing, etc. and engineering mettle in cars, planes, bridges, and salinity detectors. It was a fantastic day!

The following students had some particularly strong performances:

- **Smera Venkateswar, Sophie Shomper, and Alan Grilley:** 1st overall: Detector building 2nd, WiFi Lab 2nd, Experimental Design 4th
- **Timothy Jou, Eric Nguyen, and Muhammad Tunkara:** Detector building 4th, WiFi Lab 4th
- **Kayley Hoang, Sam Kavanaugh, and Arianajoy De Castro:** WiFi Lab 3rd
- **Sirak Kebede and David Mac:** Trajectory 2nd
- **Caleb Hyun and Alina Orchard:** Trajectory 3rd
- **Edward Duong and Tin Phan:** Bridges 2nd
- **Shamik Das and Salomon Ruvalcaba:** Remote sensing 4th
- **Alem Alem:** Astronomy 4th
- **Ai-Vi Hoang and Tate Suarez:** Anatomy 4th
- **Opal Heltzel and Greta Kim:** Chem Lab 2nd
- **Aaron Chang and Elsdon Chang:** had the longest flight in Wright Stuff

Our Phoenix placed 5th overall in the tournament. As proud as we are of our Olympians' academic performance, we are even more impressed by their graciousness, integrity, resourcefulness, and helpfulness. Despite the long break from in-person tournaments, our students remain stellar ambassadors; we salute their teamwork, engagement, and warm welcome for our guests.

Special thanks to **Mrs. Campisteguy** for feeding the team and **Mrs. Venkateswar, Ms. Fisher, Mr. Quisenberry, and Ms. Ballester** for some clutch assistance!

Science Olympiad is also having a fundraiser selling laser-cut winter-themed ornaments made at the school! They are priced at only \$3 for one and \$5 for two. Students will be selling in the second-floor landing this week Wednesday, Thursday, and Friday. Stop by and support Science Olympiad!

This is the last NOTAM of 2021! I want to wish each and every one of you a very special winter break – whether you celebrate Hanukkah, Kwanza, Christmas, the Winter Solstice, or just time at home, I hope you all have joy and peace, happiness, and time with your loved ones. Take care and see you in 2022!

Therese Tipton

All Highline students will receive free breakfast and lunch for the 2021-2022 school year, regardless of income level. We are however, encouraging those families who qualify, to fill out the free/reduced lunch form online. <https://apply4meals.highlineschools.org/fma/> And as always, students can bring their own meals from home.

Students – The Raisbeck Aviation High School National Honor Society chapter is starting up the annual **Pause and Play book drive** again. **Beginning Monday December 13** students are encouraged to bring used or new books to school to donate. The drive will end on Friday December 17 and the books will be taken to Treehouse for Kids, a non-profit organization in Seattle that donates books and other goods to children in need. If you have any unused books lying around at home, we encourage you to donate for this great cause.

Students - Giving Tree: If you're able to make a donation of a gift card for a family in need this week, please take a giving tree ornament from the second floor landing and return gift cards to Ms. Carper by **December 17th**. **Thank you!**

Students – In spirit of the holidays and the season of giving back, WAI will be donating care kits to The Mary's Place Women's and Children's Shelter! During our upcoming meeting on December 15th, we will be putting together kits in Ms. Nelson's room after school. Come join us to spend time with members and earn Community Service Hours! If you have any questions, please email leahmathew0815@gmail.com
