

Covid Task
Force Team

Thank you
**for your contribution
and support.**

What is the Covid Task Force Team?

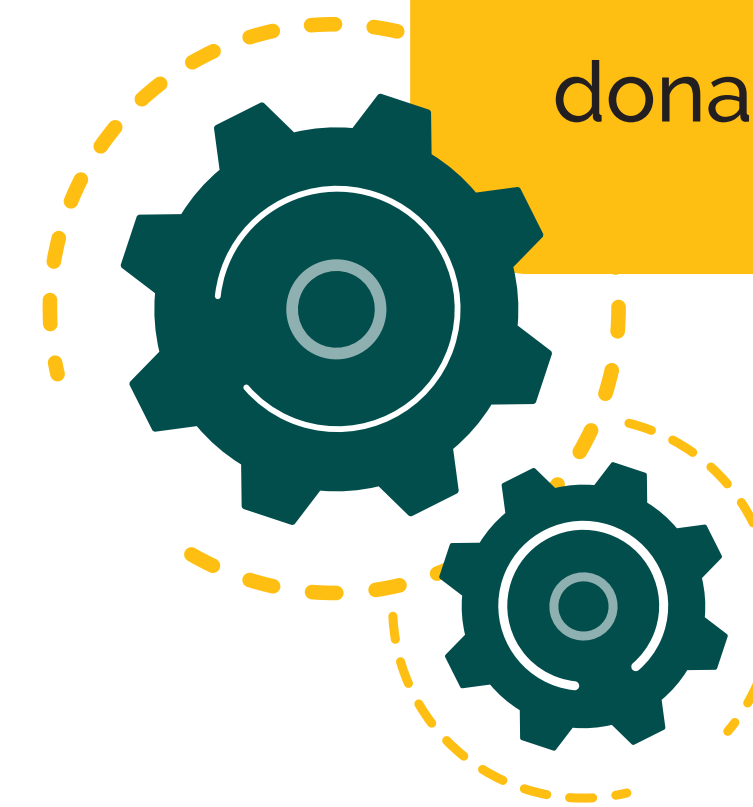

With the recent surge of Covid cases in Delhi, the AES Community - Covid Task Force Team **provides support to the AES Community including parents, staff and contractors (and immediate family members)** by providing Covid kits, awareness sessions and weekly check-ins, medical advice resource assistance, vaccination support and psychological support.

The ultimate aim of the AES Covid Task Force is to **protect the health and safety of staff, prevent the spread and promote vaccination.**

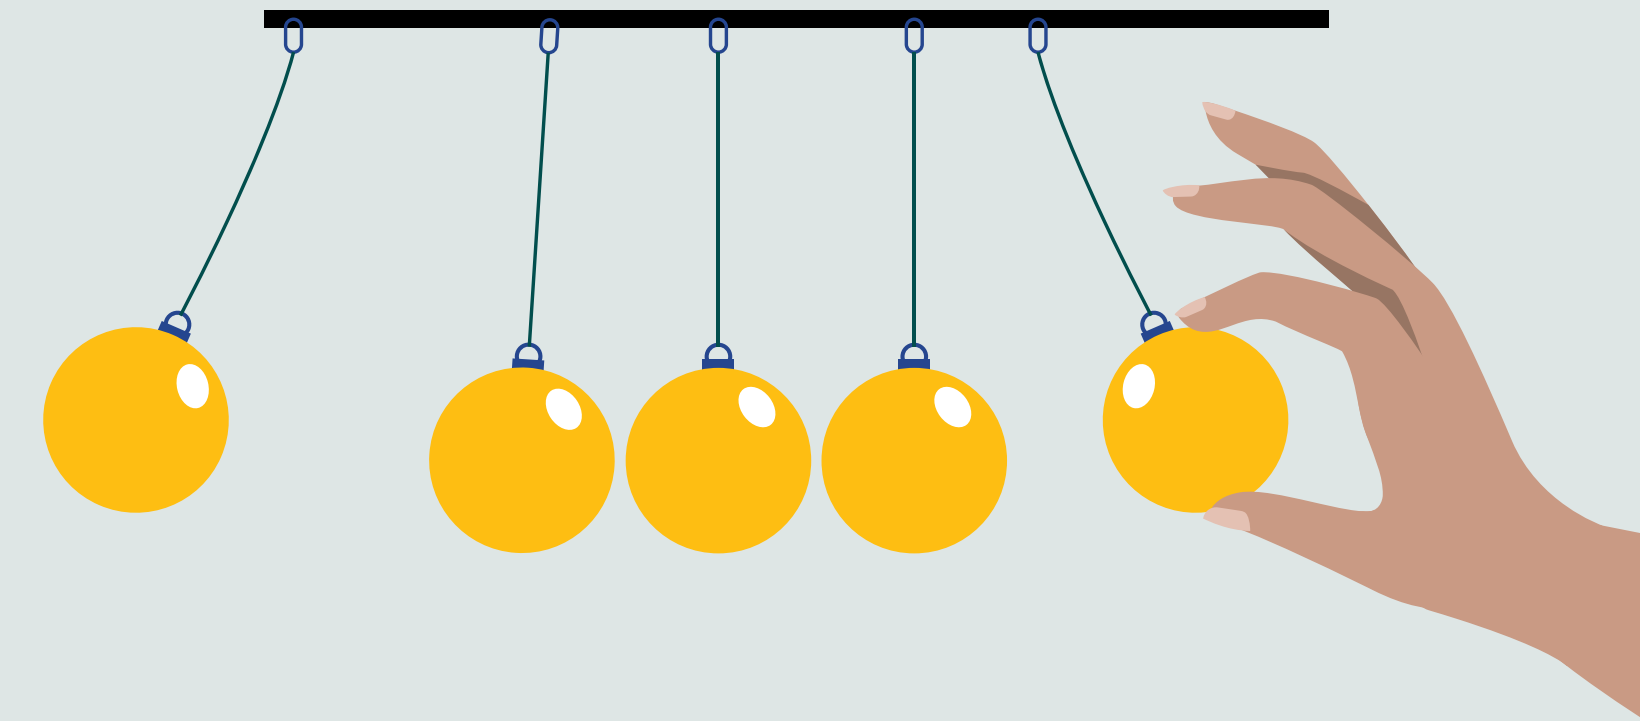

The AES Covid Task Force consists of a team of **AES senior administration, AES staff, doctors, and parent volunteers.**

Funding will be provided through donations from the AES community.

The impact so far

We have conducted total of **27 sessions** and trained over **600 people**

Awareness Sessions scheduled

Weekly check-ins through summer with individual groups.

600 people from various AES groups - TA's NTS, Faculty, FMO, Food Services, Security, Faculty, Parents and Household Staff of parents and faculty **have attended at least one of these awareness sessions**

Raised over \$15000 **within 2 weeks**

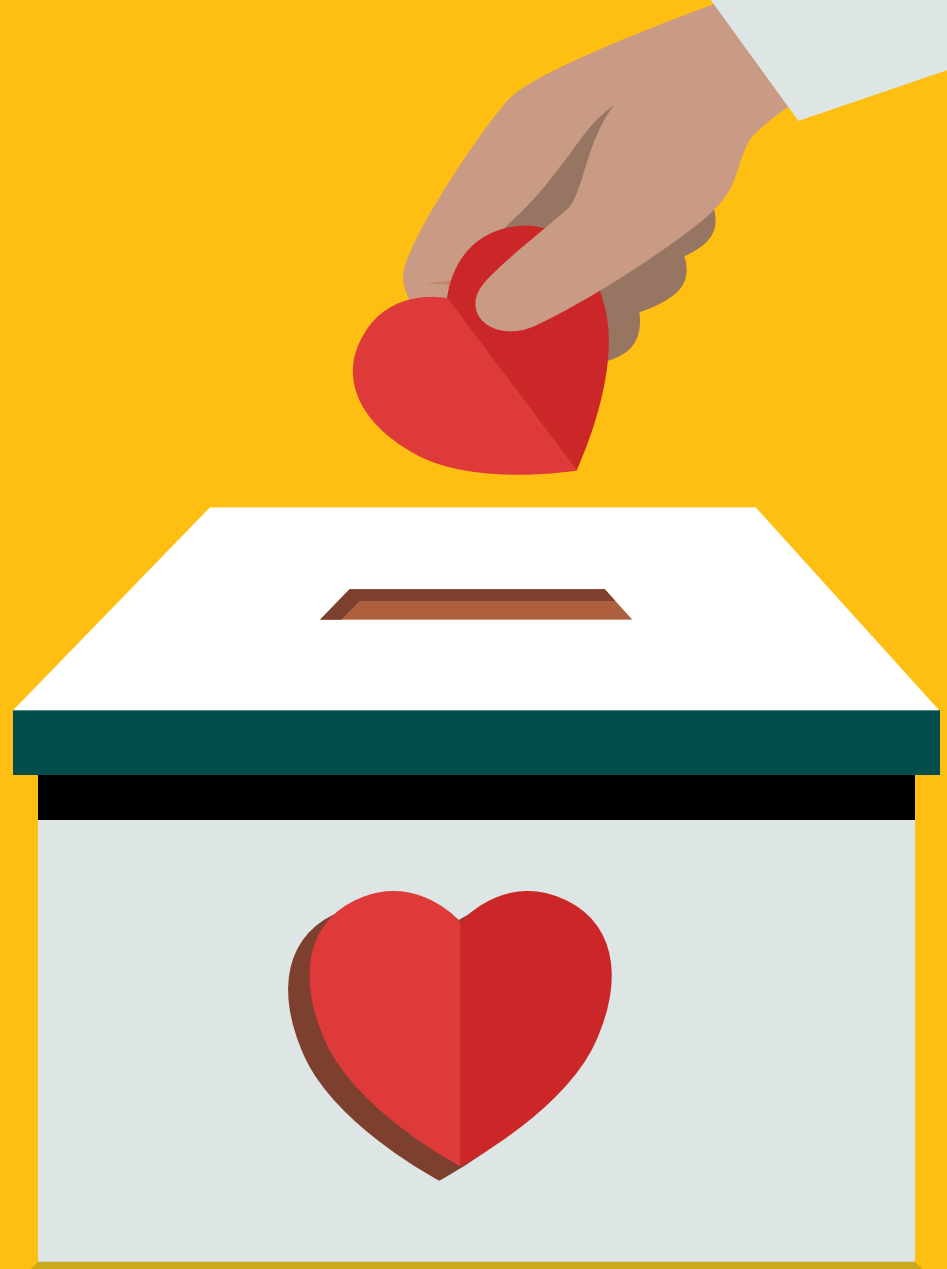

300 kits distributed which includes an oximeter, thermometer, paracetamol, home covid test kit, mask and hand sanitizer.
