

13th December, 2021

Dear Parent/Carer,

KS2 – Mental Health Support

Further to our staffing update of 6th December. We are delighted to welcome Laurence Camors to the academy as Mental Health Support Practitioner for KS2.

Laurence will be starting in January, working one day per week. She will be responsible for training staff, working directly with referred pupils and supporting Mrs Peacock in delivering the whole academy Mental Health Strategy.

In order for Laurence to understand what parents and carers know about the support available to children and their families, we would kindly ask you to complete the following Me and My Mind questionnaire, closing date, end of day Wednesday 15th December.

There is also a leaflet attached to this communication from East Sussex Mental Health Support Team, with further information for parents and carers.

Yours sincerely,

Mrs C Welch
Principal
