**Public Meeting Statement**

Board of Education members, School District staff, and members of the public who attend meetings in-person will adhere to Robbinsdale Area Schools COVID protocols including masking guidelines. The Robbinsdale Area Schools COVID protocols are created from guidance from the Minnesota Department of Health (MDH) and the Centers for Disease Control (CDC). At present, MDH and the CDC strongly recommends that all people present in school buildings and district offices wear a face covering, and that anyone who is not fully vaccinated continue to wear face coverings indoors in businesses, public settings, and when around people from other households, as well as outdoors when social distancing cannot be maintained. The face covering recommendation does not apply to those who are unable to tolerate wearing a face covering because of a medical condition, mental health condition, or disability.

Thank you for joining us. We are about to engage in a Committee Meeting of the Community Connect Committee. Before we begin, and as we emerge from previous protocol restrictions and return to in-person meetings, we want to remind all community members that this meeting is designed to allow Invitees to participate and the public an opportunity to observe. There are multiple avenues for the public to share ideas, but this meeting is not one of those ways to participate. Thank you for spending time with us on behalf of Robbinsdale students, staff and families.

Calendar invites sent for Aug 10, Oct 12, Dec 14, Feb 8, Apr 12, June 14  
 Normal meeting time 5:00-6:30pm – ESC 306

# Community Connect

## Charge to the Committee

Community Connect is a standing committee of the Robbinsdale Area School District.

The charge of the Community Connect Committee is to recommend to the School Board and district administration involvement in interactions and events that support the **Unified District Vision** (UDV).

Community Connect researches and initiates community conversations that build relationships with targeted audiences to:

- Assure student success
- Connect with families, parents, and guardians of our students
- Foster awareness of the benefits of Pre-12 education
- Engage community members such as district residents and businesses
- Promote ongoing positive community connections
- Foster mutual support between the district and the community it serves
- Share key messages of the district

Membership is comprised of school board members, the Marketing and Communications Director, Integration and Equity Program Director, Community Education Director, and up to five community members.

A school board member will be designated as chair, who will prepare an agenda for each meeting based on input from committee members. The chair will be responsible for distributing the agenda and meeting summaries including action items. Meeting materials will be maintained by the School Board Administrative Assistant.

**Unified District Vision** goals to which the charge of the Community Connect Committee is aligned:

- **Goal 1:** Implement Policies and Practices that Open Pathways to Academic Excellence for All Students
- **Goal 3:** Engage Family and Community Members as Partners

**Meeting Summary**  
**Tuesday, December 14, 2021**
