Annual Giving 2020-2021

The **St. Bernard Academy Annual Fund** is the most important source of unrestricted funds available to SBA. It is critical to our fiscal health as Annual Fund gifts flow directly into the operating budget. Annual Fund monies broadly support academic programs, faculty development, and campus and environmental stewardship while allowing us to keep tuition affordable for a diverse group of families.

SBA Alumni: Where Are They Now? Over the course of the 2020-2021 school year, we featured a new series on our social media platforms where we caught up with young SBA alumni to see where their lives had taken them after leaving SBA. No matter their path, it's clear that our alumni leave SBA well-prepared for the next steps in their journey. As educators, it is our greatest joy to see them thrive.

"After graduation, I moved back to Nashville. I currently work as a resource specialist at a nonprofit, where I help connect those in need with housing and other basic necessities. SBA taught me to think critically, and that compassion for others goes a long way!"

Nick Tehle
'13

"SBA taught me the value of hard work and the success that follows it - I've applied these values throughout high school, college, my career, and beyond."

Tony Tehle
'12

"SBA provided for me that first sense of what it means to be surrounded by a community. I still find this lesson to be of value to me in surrounding myself with a likewise community here in LA."

"SBA faculty and staff taught me how to communicate effectively, particularly in writing. This skill served me invaluable throughout high school and college, informed my career path, and enriches how I interact with the world around me today. Also at SBA, I began several life-long relationships with friends who have continued to nurture and support me for over 20 years."

Haley Clark

"I live in New York City and work as a production assistant, researcher and producer for the 3rd Hour of TODAY on NBC. What I love most about my job is that no two days are the same! Everyday, I get the opportunity to work with an amazing team to put a show on the air that I grew up watching. It's very rewarding! SBA taught me the importance of working hard with a kind and compassionate heart!"
