Thank you to everyone that auditioned! This was such a hard show to cast because of all the amazing talent you brought to your auditions. I can't wait to get started. Our **first rehearsal** will be a read through on **January 5th** in the choir room at **3:00pm**. Don't forget we are **meeting after school today December 10th at 2:45** to give out actor contracts, calendars, get measurements, and to fill out cast bios for the program.
